

27 May 2020

To the holders of Ordinary Shares

Notice of Annual General Meeting of FireAngel Safety Technology Group plc ("FireAngel" or the "Company")

Dear Shareholder

Annual General Meeting

I am pleased to write to you with details of FireAngel's forthcoming Annual General Meeting ("**AGM**") which is to be held at **11 a.m. on 30 June 2020** at Vanguard Centre, Sir William Lyons Road, Coventry CV4 7EZ, the formal business of which is set out in the enclosed Notice of AGM.

Coronavirus (Covid-19)

In response to the Coronavirus (Covid-19) pandemic, the UK Government has introduced new laws to prevent individuals engaging in non-essential travel and attending public gatherings of more than two people, save where essential for work purposes. Having taken legal advice, the Board has concluded that, in these exceptional circumstances and to ensure shareholders can comply with the legal requirements currently in place, shareholders should not be permitted to attend this year's AGM. Shareholders are therefore being requested to have regard to their own safety and that of others and not to travel to the meeting. **Any shareholders attempting to gain access to the AGM will be excluded from the meeting on grounds of public safety.**

While the pandemic restricts our ability to follow our usual AGM format, we are still legally required to hold our AGM and we intend to do so using the 'essential work purposes' exemption under the new laws. This requires shareholder attendance at the AGM to be limited to only the two shareholders required to form a quorum under our Articles of Association. FireAngel intends to facilitate the establishment of the quorum, which is essential for the running of the meeting.

We will continue to monitor the evolving impact of the pandemic and if it becomes necessary or appropriate to make further changes to the proposed format of the AGM, we will inform shareholders as soon as we can. You are encouraged to monitor our announcements via the Regulatory News Service.

Although shareholders will not be able to attend the AGM in person, they will still be able to ensure their votes are counted by submitting their proxy forms in advance by post. If you wish to vote on the resolutions, I would urge you to complete the enclosed proxy form and return it to the Company's registrars, Neville Registrars Limited, Neville House, Steelpark Road, Halesowen, West Midlands B62 8HD as soon as possible and so as to be received by no later than 11 a.m. on 28 June 2020.

Documentation

I enclose herewith a copy of the Company's report and accounts for the year ended 31 December 2019, together with the Notice of AGM and a proxy form.

Resolutions

The Board considers that all the resolutions to be put to the AGM are in the best interests of the Company and its shareholders as a whole. Your Board will be voting in favour of each of the resolutions in respect of their own beneficial holdings and unanimously recommends shareholders to do likewise.

Yours faithfully

John Conoley

Executive Chairman

- (a) shares in the Company, other than shares allotted pursuant to:

THAT, subject to the passing of resolution 7, the Directors are authorised in addition to any authority granted under resolutions 8 and 9 to allot equity securities (as defined in section 560(1) of the Companies Act 2006) for cash under the authority given by resolution 7 and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561(1) of the Companies Act 2006 did not apply to any such allotment or sale, such authority to be:

(a) limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of £126,558.85; and

EXPLANATORY NOTES TO THE RESOLUTIONS TO BE PROPOSED AT THE ANNUAL GENERAL MEETING

The resolutions to be proposed at the AGM of the Company to be held on 11 a.m. on 30 June 2020 are set out in the notice of AGM. The following notes provide an explanation to the resolutions being put to shareholders.

Ordinary business

Resolutions 1 to 6 are proposed as ordinary resolutions. These resolutions will be passed if more than 50% of the votes are cast in favour of them.

Resolution 1 – Laying of accounts

The directors are required to present to shareholders at the AGM the reports of the directors and auditors and the audited accounts of the Company for the year ended 31 December 2019.

Resolution 2 – Remuneration report

Shareholders are requested to approve the directors' remuneration report. The directors' remuneration report is set out in the Company's annual report and accounts for the year ended 31 December 2019. The vote is advisory and the directors' entitlement to remuneration is not conditional on the passing of the resolution.

Resolutions 3 to 5 – Re-election of directors

The Company's articles of association require any directors that have been appointed since the last AGM to retire and stand for re-election at the AGM. Simon Herrick has been appointed since the last AGM and therefore is retiring and seeks re-appointment at the AGM. In addition, the Company's articles of association require one-third of the directors to retire from office each year. Each of Mike Stilwell and John Shepherd is retiring and seeks re-appointment at the AGM. Biographical information for each of the directors standing for re-election and re-appointment is included in the Company's annual report and accounts.

Resolution 6 – Re-appointment of auditors and authorising and fixing the remuneration of the auditors

The Companies Act 2006 requires that auditors be appointed at each general meeting at which accounts are laid to hold office until the next such meeting. The appointment of RSM UK Audit LLP as auditors of the Company terminates at the conclusion of the AGM. They have indicated their willingness to stand for reappointment as auditors of the Company until the conclusion of the annual general meeting in 2021. The Company's Audit Committee keeps under review the independence and objectivity of the external auditors and further information can be found in the annual report and accounts. After considering the relevant information, the Audit Committee has recommended to the Board that RSM UK Audit LLP be re-appointed as auditors.

It is normal practice for shareholders to resolve at the annual general meeting that the directors decide on the level of remuneration of the auditors for the audit work to be carried out by them in the next financial year.

Special business

Resolution 7 is proposed as an ordinary resolution and will be passed if more than 50% of the votes are cast in favour of it. Resolutions 8, 9 and 10 are proposed as special resolutions and will be passed if not less than 75% of the votes are cast in favour of them.

Resolution 7 – Authority to allot shares

The directors may only allot shares or grant rights over shares if authorised to do so by shareholders. The authority granted at the last annual general meeting to allot shares or grant rights to subscribe for, or convert any security into, shares is due to expire at the conclusion of this year's AGM.

The Investment Association (IA) guidelines on authority to allot shares state that IA members will permit, and treat as routine, resolutions seeking authority to allot shares representing up to one-third of a company's issued share capital. In addition they will treat as routine a request for authority to allot shares representing an additional one-third of the company's issued share capital provided that it is only used to allot shares for the purpose of a fully pre-emptive rights issue.

Accordingly, resolution 7, if passed, would authorise the directors under section 551 of the Companies Act 2006 to allot new shares or grant rights to subscribe for, or convert any security into, new shares (subject to shareholders' pre-emption rights) up to a maximum nominal amount of £1,687,451.27, representing the IA guideline limit of approximately 66% of the Company's issued share capital as at 26 May 2020 (being the latest practicable date prior to the publication of this document).

Resolution 7(a) would give the directors authority to allot new shares or grant rights to subscribe for, or convert any security into, new shares, up to an aggregate nominal value of £1,687,451.27, representing approximately two-thirds of the Company's existing issued share capital in connection with a rights issue or other pre-emptive offer in favour of ordinary shareholders.

Resolution 7(b), if passed, would give the directors general authority to allot new shares or grant rights to subscribe for, or convert any security into, new shares, up to an aggregate nominal value of £843,725.63, representing approximately one-third of the Company's existing issued share capital. This authority will be reduced by any amount over £843,725.63 that is allotted under resolution 7(a), so that the total amount issued cannot exceed two-thirds of the Company's existing issued share capital without further shareholder approval.

As resolution 7(a) imposes no restrictions on the way the authority may be exercised, it could be used in conjunction with resolution 7(b) so as to enable the whole two-thirds to be used in connection with a rights issue or other pre-emptive offer.

The authority will expire at the earlier of the conclusion of the next annual general meeting of the Company and 30 September 2021.

The Company does not at present hold any shares in treasury.

Resolutions 8 and 9 – Disapplication of pre-emption rights and Resolution 10 – Additional disapplication of pre-emption rights

The Companies Act 2006 requires that if the Company issues new shares or grants rights to subscribe for or to convert any security into shares for cash, or sells any treasury shares, it must first offer them to existing shareholders in proportion to their current holdings. In certain circumstances, it may be in the best interests of the Company to allot shares (or to grant rights over shares) for cash without first offering them proportionately to existing shareholders. This cannot be done under the Companies Act 2006 unless the shareholders have first waived their pre-emption rights. In accordance with investor guidelines, therefore, approval is sought by the directors to issue a limited number of ordinary shares for cash without first offering them to existing shareholders.

Resolutions 8 and 9 contain disapplications of pre-emption rights which seek to renew the directors' authority to issue equity securities of the Company for cash without application of pre-emption rights pursuant to section 561 of the Companies Act 2006.

Resolution 8 seeks a disapplication of the pre-emption rights on a rights issue or other pre-emptive offer so as to allow the directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which might arise, for example, with overseas shareholders.

Other than in connection with a rights or other pre-emptive issue, scrip dividend or other similar issue, the authority contained in resolution 9 would be limited to a maximum nominal amount of £126,558.85 (which would equate to 6,327,942 ordinary shares of 2 pence each), representing approximately 5% of the Company's issued share capital as at 26 May 2020, being the latest practicable date prior to the publication of this AGM notice.

Resolution 10 is an optional disapplication of pre-emption rights limited to an additional 5% of issued ordinary share capital to be used for transactions which the directors determine to be an acquisition or specified capital investment. The authority contained in the resolution would be limited to a maximum nominal amount of £126,558.85 (which would equate to 6,327,942 ordinary shares of 2 pence each), representing approximately 5% of the Company's issued share capital as at 26 May 2020, being the latest practicable date prior to the publication of this AGM notice.

If passed, these authorities will expire at the same time as the authority to allot shares given pursuant to resolution 7 (Authority to allot shares).
