

THIS DOCUMENT AND ANY ACCOMPANYING DOCUMENTS ARE IMPORTANT AND REQUIRE YOUR IMMEDIATE ATTENTION. If you are in any doubt about the contents of this document or about what action to take, you are recommended to seek your own independent professional advice immediately from your stockbroker, solicitor, accountant or other appropriate independent financial adviser duly authorised under the Financial Services and Markets Act 2000 (“FSMA”) if you are resident in the United Kingdom, or, if not, from another appropriately authorised independent financial adviser in the relevant jurisdiction. The whole of this document should be read. You should be aware that an investment in the Company involves a high degree of risk and prospective investors should in particular carefully consider the section entitled “Risk Factors” set out in Part 2 of this document.

If you sell or transfer or have sold or otherwise transferred all of your Ordinary Shares in FireAngel Safety Technology Group plc (the “Company”) before 23 March 2020 (being the date when the Existing Ordinary Shares were marked ‘ex’ entitlement to the Open Offer), please send this document, but not any accompanying Application Form (and accompanying reply-paid envelope (for use within the UK only)) immediately to the purchaser or transferee or to the stockbroker, bank or other agent through whom the sale or transfer was effected for transmission to the purchaser or transferee. Such documents should, however, not be forwarded to or transmitted into any jurisdiction outside of the UK if to do so would constitute a violation of the relevant law and/or regulations of such jurisdiction. Any failure to comply with such restriction may constitute a violation of the securities laws of any such jurisdiction. If you have sold only part of your holding of Ordinary Shares, please contact your stockbroker, bank or other agent through whom the sale or transfer was effected immediately and refer to the information regarding split applications contained in the Application Form (if relevant).

The total consideration under the Open Offer is less than €8 million (or an equivalent Pounds Sterling amount) in aggregate. Therefore, in accordance with section 85 and Schedule 11A of FSMA, the Open Offer does not require the issue of a prospectus for the purposes of the Prospectus Regulation Rules. The Placing Shares are only available to qualified investors for the purposes of the Prospectus Regulation or otherwise in circumstances not resulting in an offer of transferable securities to the public under section 102B of FSMA. Therefore, neither the Placing nor the Open Offer constitute an offer to the public requiring an approved prospectus under section 85 of FSMA and accordingly this document does not constitute a prospectus for the purposes of the Prospectus Regulation Rules and, accordingly, this document has not been, and will not be, reviewed or approved by the Financial Conduct Authority (“FCA”) pursuant to sections 85 and 87 of FSMA, the London Stock Exchange, any securities commission or any other authority or regulatory body, and has not been approved for the purposes of section 21 of FSMA.

This document does not constitute an admission document drawn up in accordance with the AIM Rules and the London Stock Exchange has not itself examined or approved the contents of this document. This document does not constitute a recommendation regarding securities of the Company. The New Ordinary Shares will not be dealt on any other recognised investment exchange and no other such application will be made. The rules applicable to AIM are less demanding than those applicable to the Official List of the FCA.

Application will be made to the London Stock Exchange for the New Ordinary Shares to be admitted to trading on AIM. AIM is a market designed primarily for emerging or smaller companies to which a higher investment risk tends to be attached than to larger or more established companies. AIM securities are not admitted to the Official List of the FCA. A prospective investor should be aware of the risks of investing in such companies and should make the decision to invest only after careful consideration and, if appropriate, consultation with an independent financial adviser. It is expected that admission of the New Ordinary Shares will become effective, and that dealings on AIM will commence, at 8.00 a.m. on 9 April 2020.

23 March 2020

To holders of Ordinary Shares and, for information only, to holders of options over Ordinary Shares

Dear Shareholder,

**Open Offer of up to 50,623,576 New Ordinary Shares
and
Placing of New Ordinary Shares
at 12 pence per New Ordinary Share**

1. Introduction

Earlier today, the Company announced that it was proposing to undertake an Open Offer to raise approximately £6.1 million, on the basis of 2 Open Offer Shares for every 3 Existing Ordinary Shares held on the Record Date, at an issue price of 12 pence per New Ordinary Share. In addition, the Company announced that it had conditionally raised approximately £6.1 million (before expenses) by means of a Placing with certain existing Shareholders and new investors of up to 50,623,576 New Ordinary Shares at an issue price of 12 pence per New Ordinary Share, subject to clawback under the Open Offer. It should be noted that New Ordinary Shares will only be issued pursuant to the Placing if and to the extent that the Open Offer is not subscribed in full by holders of Existing Ordinary Shares and will result in a maximum of 50,623,576 New Ordinary Shares being issued pursuant to the Fundraising. Furthermore, the Open Offer is not conditional on completion of the Placing.

The Issue Price of 12 pence represents a premium of 20 per cent. to the Closing Price on 20 March 2020, being the last Business Day prior to the announcement of the Fundraising. The Fundraising is conditional on, *inter alia*, Admission becoming effective by no later than 8.00 a.m. on 9 April 2020 (or such other time and/or date as the Company and Shore Capital may agree). It is expected that the New Ordinary Shares will be admitted to trading on AIM on or around 8.00 a.m. on 9 April 2020.

The purpose of this document is to set out the reasons for, and provides further information on, the Fundraising, to explain why the Board considers the Fundraising to be in the best interests of the Company and its Shareholders as a whole.

2. Background to, and reasons for, the Fundraising

The Company's investment in connected technology over the last few years is now being evidenced by the launch of a range of connected products with unique functionality and efficiency. The Directors estimate that typical connected product spend is approximately £205 per property. There are 4.6 million social properties in the UK, giving a market size in the UK Trade business of almost £1.0 billion product value over five years. The recurring revenue opportunity builds to approximately £55 million per annum if installed in all

UK social housing properties. The Directors also believe that the available margins in UK Trade are potentially double those in the Company's "traditional" market.

In October 2019, FireAngel launched its Specification and Pro ranges of smoke, heat and CO alarms, featuring Smart RF technology which enables all devices to connect wirelessly, significantly removing the time-consuming requirement for wiring, channelling or trunking. These are the only alarms with proven low carbon footprints producing on average 95 per cent. less carbon dioxide compared with other leading mains-powered alarms. These ranges allow their connectivity to be upgraded to communicate information outside the property by installing a FireAngel Connect Gateway. This has advantages to landlords in fulfilling their duty of care in accessing vital information, including alarm status, history, replacement dates and network health. The system features "FireAngel Predict™", patented technology to identify and highlight dangerous patterns of behaviour that increase fire risk. A network including a FireAngel Connect Gateway can provide real-time fire and CO safety notifications via remote monitoring of the alarms for more accurate risk management.

In January 2020, the Group's retail range was completed with the launch of the FireAngel Pro Connected B2C platform, initially through selected retail channels. The FireAngel Pro Connected gateway connects directly to the FireAngel Pro Connected range of domestic safety products and utilises the unique features provided by FireAngel Predict™.

In February 2020, the Group announced that FireAngel Predict™, the Group's predictive algorithm management information platform, had been granted a patent by the European Patent Office following successful patent awards in both the US and Australia. This gives FireAngel the exclusive right to exploit this technology in Europe and protects the key operating system required to deliver the functionality behind FireAngel Predict™. The technology pinpoints properties where there is a higher risk of a fire which provides stakeholders within the housing sector a unique insight into the safety of the occupants and their property portfolio. This is delivered seamlessly through online notifications, thereby protecting lives and homes and providing a compelling proposition to help fulfil the stakeholders' duty of care.

As previously announced, trials of FireAngel's connected home products, including FireAngel Predict™, have been ongoing and have been well received, and market response is building well. Two major trials are nearing completion and three more are scheduled to begin in April 2020. As a result, the Group is now engaged in a number of commercial discussions for the short, medium and long term with recurring revenue opportunities, some of which are expected to be material to the Group's future prospects and results. Prior to commencing active marketing, the total identified funnel of opportunities is worth approximately £100 million, of which £34 million is already in the pipeline. The Board expects to have several rollouts commencing in H2 2020, each of which is expected to last for 3 to 5 years, with a significantly increasing recurring revenue element. The business is very scalable against volume longer term, but the late 2020 challenge will be managing growth and customer expectations. It is pleasing to see the Group's connected home products performing well in the field and the first responses to FireAngel Predict™ have been positive and extremely informative for both customers and FireAngel.

The Group is now an independent, technology-led business with the key objectives of monetising the investment made in connected technology and to complete the transition of the business to become a provider of safety-critical connected home solutions.

In the short term, the Company will seek to improve gross margin, which it is hoped will be achieved through reorganisation and upskilling to focus on other costs of sale, for example items such as warranty and product rework, and also in improving its speed of reaction. In addition, a significant short and medium-term opportunity for margin progression is expected to be realised through better focus on marketing and sales in the UK Trade market and more assertively exploiting digital channels. The Group is repositioning existing products, reviewing pricing product by product and, at the same time, continuing to introduce newer product lines.

The strategic decision to invest heavily in connected technology is proving to be correct. The Directors believe that FireAngel is uniquely positioned to satisfy the emerging demand and benefit from the recurring revenue streams associated with services offered by this technology. The benefits are now beginning to come through in successful real-world trials, the financial benefits of which are expected to be realised in the short, medium and long term. The business must reassess its delivery of technical solutions to adequately meet the size and complexity of these new opportunities.

The Group is close to signing a contract for a large connected rollout using FireAngel Pro Connect and FireAngel Predict™. This represents an important endorsement of the Group's strategy and unique offering. The Directors believe that no company in the Group's marketplace is better positioned to support providers of social housing in their pursuit of higher levels of proactive fire risk management. The Group has a number of ongoing trials and commercial discussions with certain other larger social housing providers and the Directors are optimistic of further business wins, and of generating recurring revenue streams, from our growing pipeline of opportunities.

The Board considers that it is now appropriate to raise approximately £6.1 million by way of the Fundraising to take advantage of the opportunities available to the Group by monetising the investment made historically in connected technology and transition to a technology-led connected homes solutions provider. In particular, as the Company is presented with increasingly larger commercial opportunities, the Board believes that a strengthened balance sheet will enhance the Company's prospects of converting opportunities into signed contracts. Further details of the use of proceeds of the Fundraising are set out in section 5 below.

3. Unaudited preliminary results for the year ended 31 December 2019

Earlier today, the Company announced its unaudited preliminary results for the year ended 31 December 2019. The Group's revenue was £45.5 million (2018: £37.6 million).

The Group made an underlying loss before tax of £3.2 million (2018: £2.1 million). Underlying loss before tax in 2019 of £3.2 million is before the impact of the change to straight line amortisation of £0.9 million and before non-underlying items of £6.9 million (2018: underlying loss before tax of £2.1 million before non-underlying items of £3.8 million).

After charging £6.9 million for non-underlying costs (2018 restated: £3.8 million) and incurring £0.9 million in changing to straight line amortisation for intangible development assets, the consolidated loss before tax for the year was £11.0 million (2018 restated: £5.9 million). Underlying EBITDA improved from a loss of £0.9 million in 2018 to a reduced loss of £0.4 million in 2019. Underlying EBITDA in 2019 of (£0.4) million is loss before tax before depreciation and amortisation of £3.4 million, finance costs of £0.3 million and non-underlying items of £6.9 million (2018: underlying EBITDA of (£0.9) million is loss before tax before depreciation and amortisation of £1.1 million, finance costs of £0.1 million and non-underlying items of £3.8 million).

The adjusted gross profit was maintained at £8.7 million but represented a reduced adjusted gross margin of 19.0 per cent. (2018: 23.2 per cent.). Adjusted gross profit is stated before non-underlying items of £4.3 million (2018 restated: non-underlying items of £1.2 million). Adjusted gross margin is adjusted gross profit as a percentage of revenue.

Non-underlying costs totalling £6.9 million were incurred in the year as follows:

Within cost of sales:

- *Provision for warranty costs*

During the year, the FireAngel battery warranty provision, an isolated legacy issue relating to a third-party supplier first identified in April 2016, was increased by £1.4 million as lower rework yields and higher product costs compared to those originally anticipated when the provision was estimated three years ago, were leading to increased costs of supplying replacement products. In addition, a charge of £1.2 million was made to reflect an increase in the terminal volume of units expected to be impacted by the issue based on the level of returns currently being seen.

- *Stock impairment and disposal costs*

£1.7 million has been provided as a result of a thorough review of product lines and future development plans in line with the Group's evolved strategy to become a more technology-led connected home solutions provider.

Within operating expenses:

- Restructuring and certain fundraising costs of £0.7 million;
- Intangible capitalised development assets of £1.8 million have been impaired as a result of a thorough review of product lines and future development costs; and
- Share-based payment charges of £37,000.

In addition to the items above charged through the 2019 income statement in relation to the legacy battery warranty provision, an amount of £1.5 million has been recorded to increase the provision through a prior period adjustment. Towards the end of 2019, continuing ongoing monitoring of warranty returns data identified that the number of units expected to be impacted by the third-party supplied battery impedance issue could be higher than originally anticipated. The need for this prior period adjustment was due to an error in the assumptions made regarding products manufactured between 2016 and Q1 2018. No further increase in the number of units impacted is expected as the issue relates only to units produced at one of the Company's previous manufacturers in China up to the end of March 2018. Due to the introduction of various product design changes, units produced at the Company's manufacturing partner in Poland since April 2018 should not be affected by these historic issues.

Net debt (before lease obligations) at 31 December 2019 was £4.9 million (2018: £4.4 million). It is expected that the invoice discounting facility of £7.5 million, available to the Company through HSBC, will increase in the second half of 2020 in line with expected increases in debtor balances.

In late 2019, the Group finally began field installations of its connected products. This was encouraging, but not sufficiently so to outweigh what proved to be a very challenging year operationally for the Group. The Group's sales and marketing efforts represented a considerable success with revenue up significantly at 21 per cent. yet the Board was disappointed to report an underlying loss for 2019 and to record substantial non-underlying charges linked to historical issues. Significant management time has once again been spent on resolving legacy problems, time which should have been spent moving forward with the Group's clear strategic aims.

Although revenue saw impressive growth to £45.5 million, the impact on gross margin was held back for four main reasons:

- *Detrimental impact of the value of sterling against the US dollar*
The prolonged weakening of sterling against the US dollar in 2019 significantly increased the sterling cost of components used in the Group's products.
- *Higher costs and delayed product availability at the Group's smoke and connected devices manufacturing partner*
During 2018, a new manufacturing partner in Poland commenced production of FireAngel's smoke and connected devices products and a new Far East based supplier commenced supply of alternatives to the BRK/First Alert products.

Delays in reaching production capacity and efficiency at the Polish manufacturer impacted both the availability of products and the product cost in 2018. Although progress was made during 2019 in moving forward with both yield and efficiency, the Group continues to see higher costs due, in particular, to wage inflation in Poland and delays in the availability of certain higher-margin products.
- *Change in sales mix towards lower margin UK Retail*
Revenue from the lower-margin UK Retail sector increased by 36 per cent. to £11.3 million in 2019 and represented 25 per cent. of the Group's turnover compared to 22 per cent. in the previous year. This change in margin mix detrimentally impacted the Group's overall gross margin compared with 2018.
- *Impact of sales growth on the Company's processes*
Sales growth in 2019 of 21 per cent. put stress on the Company's processes from production through to customer fulfilment. This had the effect of repeatedly shaving small amounts of both revenue and margin from the year's results. In addition, the Company had to incur more costly air freight charges to meet the growth in demand for certain of its products.

4. Current trading and outlook

The Group has made a solid start to the year with sales up 15 per cent. and gross profit up 39 per cent. on the first two months of 2019. The Directors believe there is a rapidly increasing market interest in the Group's unique solutions, which bodes well for 2020 and beyond.

While coronavirus has had an impact on the supply chain and/or those factories in China which manufacture certain of the Group's products, those factories are working close to full capacity again. The Directors consider, however, with what they know presently, that coronavirus is likely to reduce the Group's revenue in the year ending 31 December 2020 by up to £4.0 million, which currently is expected to be largely restricted to the second quarter. The Directors are nevertheless confident that some of this reduced revenue is likely to be recovered and not lost permanently, and should fall into the second half of the year when the Group's margin is expected to be higher than in the first half. The Board expects that the Group's results for the year ending 31 December 2020 will be in line with market expectations.

5. Information on the Fundraising

Earlier today, the Company announced that it was proposing to undertake an Open Offer to raise approximately £6.1 million, on the basis of 2 Open Offer Shares for every 3 Existing Ordinary Shares held on the Record Date, at an issue price of 12 pence per New Ordinary Share. In addition, the Company announced that it had conditionally raised approximately £6.1 million (before expenses) by means of a Placing with certain existing Shareholders and new investors of up to 50,623,576 New Ordinary Shares at an issue price of 12 pence per New Ordinary Share, subject to clawback under the Open Offer. The New Ordinary Shares will represent, in aggregate, 40 per cent. of the Enlarged Share Capital, at an issue price of 12 pence per New Ordinary Share.

The Issue Price of 12 pence per New Ordinary Share represents a premium of 20 per cent. to the Closing Price of 10 pence on 20 March 2020, being the last Business Day prior to the announcement of the Fundraising.

The Fundraising is not being underwritten and is conditional, *inter alia*, on Admission becoming effective by no later than 8.00 a.m. on 9 April 2020 (or such later time and/or date, being not later than 28 April 2020, as the Company and Share Capital may agree).

Accordingly, if any of such conditions are not satisfied, or, if applicable, waived, the Fundraising will not proceed and any Open Offer Entitlements admitted to CREST as part of the Open Offer will thereafter be disabled.

Application will be made to the London Stock Exchange for the New Ordinary Shares to be admitted to trading on AIM. The New Ordinary Shares will rank *pari passu* in all respects with the Existing Ordinary Shares, including the right to receive all dividends and other distributions declared, made or paid in respect of the Ordinary Shares following Admission. It is expected that such Admission will become effective and that dealings on AIM will commence at 8.00 a.m. on 9 April 2020.

6. Use of net proceeds

The net proceeds of the Fundraising are expected to be approximately £5.84 million. It is proposed that such proceeds will be used to:

- strengthen the Company's balance sheet;
- execute self-help plans;
- deploy and support the Company's connected homes technology; and
- fund part of the legacy battery warranty issue.

7. Related Party Transaction

Client funds of Downing LLP (together, "Downing LLP") have agreed to subscribe for 19,166,666 Placing Shares. As at the date of this document, Downing LLP holds 13,260,356 Existing Ordinary Shares representing approximately 17.5 per cent. of the Existing Ordinary Shares. As such, Downing LLP is a

substantial shareholder of the Company and its participation in the Placing is a related party transaction pursuant to AIM Rule 13 of the AIM Rules. The Directors consider, having consulted with the Company's nominated adviser, Shore Capital & Corporate, that the terms of Downing LLP's participation in the Placing are fair and reasonable insofar as the Shareholders are concerned.

In addition, BGF Investment Management Limited ("BGF") a significant shareholder of the Company, has agreed to subscribe for 12,500,000 Placing Shares.

8. Details of the Open Offer

Qualifying Shareholders (other than, subject to certain exemptions, those Shareholders in Restricted Jurisdictions) have the opportunity under the Open Offer to apply for Open Offer Shares at the Issue Price, payable in full on application and free of expenses, *pro rata* to their existing shareholdings, on the following basis:

2 Open Offer Shares for every 3 Existing Ordinary Shares

held by them and registered in their names on the Record Date, rounded down to the nearest whole number of Open Offer Shares. Qualifying Shareholders (other than, subject to certain exemptions, those Shareholders with a registered address in or who are located in and/or resident or are citizens of, in each case, a Restricted Jurisdiction) may apply for any whole number of Open Offer Shares up to their Open Offer Entitlement.

For the avoidance of doubt, no excess application facility is being made available in connection with the Open Offer.

The Open Offer is not a rights issue.

Qualifying CREST Shareholders should note that although the Open Offer Entitlements will be admitted to CREST and be enabled for settlement, they will not be tradable and applications in respect of the Open Offer Entitlements may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim raised by Euroclear's Claims Processing Unit. Qualifying Non-CREST Shareholders should note that the Application Form is not a negotiable document and cannot be traded. Qualifying Shareholders who do not apply to take up their Open Offer Entitlements will have no rights under the Open Offer or receive any proceeds from it. Qualifying Shareholders should be aware that under the Open Offer, unlike in a rights issue, any Open Offer Shares not applied for will not be sold in the market or placed for the benefit of Qualifying Shareholders.

Application has been made for the Open Offer Entitlements of Qualifying CREST Shareholders (other than, subject to certain exemptions, those Shareholders with a registered address in or who are located and/or resident in or are citizens of, in each case, a Restricted Jurisdiction) to be admitted to CREST. It is expected that such Open Offer Entitlements will be admitted to CREST on 24 March 2020.

Further details of the Open Offer and the terms and conditions on which it is being made, including the procedure for application and payment, are contained in Part 3 of this document and, for Non-CREST Qualifying Shareholders, on the accompanying Application Form. To be valid, Application Forms or CREST instructions (duly completed) and payment in full for the Open Offer Shares applied for must be received by the Receiving Agent **by no later than 11.00 a.m. on 8 April 2020**. Application Forms should be returned to Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD by such time.

If Admission does not occur on or before 8.00 a.m. on 9 April 2020 (or such later time and date as the Company and Shore Capital may agree, being not later than 28 April 2020), the Open Offer will not become unconditional and application monies will be returned to applicants, without interest, as soon as practicable thereafter.

As the Company is in a "closed period" in relation to the publication of its audited financial statements for the year ended 31 December 2019, the Directors have been advised that they are unable to apply for their Open Offer Entitlements.

9. Overseas Shareholders

The attention of Qualifying Shareholders who have a registered address outside the United Kingdom, or who are located and/or resident in or are citizens of, in each case, a country other than the United Kingdom, or who are holding Existing Ordinary Shares for the benefit of such persons (including, without limitation, custodians, nominees, trustees and agents) or who have a contractual or other legal obligation to forward this document or the Application Form to such persons, is drawn to the information which appears in paragraphs 6 and/or 7 of Part 3 of this document.

Persons who have a registered address in or who are located and/or resident in or are citizens of, in each case, a country other than the United Kingdom should consult their professional advisers as to whether they require any governmental or other consents or need to observe any other formalities to enable them to acquire or subscribe for any New Ordinary Shares. The notice in the London Gazette referred to in paragraph 7 of Part 3 of this document will state where an Application Form may be inspected or obtained. Any person with a registered address in or who are located in and/or resident in or are citizens of, in each case, a Restricted Jurisdiction who obtains a copy of this document or an Application Form is required to disregard them, except with the consent of the Company.

This document and any accompanying documents are not being made available to Overseas Shareholders with registered addresses in any Restricted Jurisdiction (subject to limited exceptions) and, subject to certain exceptions, may not be treated as an invitation to subscribe for any New Ordinary Shares by any person located in and/or resident in or are citizens of, in each case, a Restricted Jurisdiction.

The New Ordinary Shares have not been, and will not be, registered under the applicable securities laws of any Restricted Jurisdiction. Accordingly, subject to certain exceptions, the New Ordinary Shares may not be offered, sold, delivered or transferred, directly or indirectly, in or into any Restricted Jurisdiction to or for the account or benefit of any national, resident or citizen of any Restricted Jurisdiction.

10. Dilution resulting from the Fundraising

Following the issue of New Ordinary Shares to be allotted pursuant to the Fundraising, Shareholders who take up their Open Offer Entitlements in full will not suffer any dilution to their interests in the Company as a result of the Fundraising.

Shareholders who do not take up any of their Open Offer Entitlements will suffer a dilution of up to 40 per cent. to their interests in the Company as a result of the Fundraising.

11. The City Code

The City Code applies to quoted public companies which have their registered office in the UK, the Channel Islands or the Isle of Man and, in addition, unquoted public companies which have their registered office in the UK, the Channel Islands, or the Isle of Man and whose central management and control remain in the UK, the Channel Islands or the Isle of Man. Accordingly, the City Code applies to the Company. Under the City Code, if an acquisition of Ordinary Shares or interests therein were to increase the aggregate holding of the acquirer and its concert parties to interests in shares carrying 30 per cent. or more of the voting rights in the Company, the acquirer and, depending on circumstances, its concert parties would be required (except with the consent of the Panel) to make a cash offer for the outstanding shares in the Company at a price not less than the highest price paid for interests in shares by the acquirer or its concert parties during the previous 12 months.

This requirement would also be triggered by any acquisition of New Ordinary Shares and/or interest therein by a person holding (together with its concert parties) Ordinary Shares carrying between 30 and 50 per cent. of the voting rights in the Company if the effect of such acquisition was to increase that person's percentage of the total voting rights of the Company.

12. Placing Agreement

Under a placing agreement entered into between the Company, Shore Capital & Corporate and Shore Capital Stockbrokers, Shore Capital Stockbrokers has conditionally agreed to act as placing agent to the Company and to use reasonable endeavours to procure Placees to subscribe for the Placing Shares at the

Issue Price. The Placing Shares have been placed with Placees subject to clawback under the Open Offer. The Placing Agreement sets out the conditions relating to the Placing.

The Placing is conditional upon (amongst other things) the satisfaction of the following conditions:

- (a) Admission taking place no later than 8.00 a.m. on 9 April 2020 (or such later time and/or date as the Company and Shore Capital may agree being no later than 28 April 2020);
- (b) there being no breach of warranty in the Placing Agreement prior to Admission; and
- (c) the performance by the Company of its obligations under the Placing Agreement and/or other terms of or conditions to the Placing prior to Admission.

The Placing Agreement contains certain customary warranties from the Company in favour of Shore Capital in relation to, *inter alia*, the accuracy of the information contained in this document and certain other matters relating to the Group and its business. In addition, the Company has given certain undertakings to Shore Capital and has agreed to indemnify Shore Capital in relation to certain customary liabilities they may incur in respect of the Fundraising. Shore Capital has the right to terminate the Placing Agreement in certain circumstances prior to Admission including, *inter alia*: (i) for certain force majeure events or other events involving certain material adverse changes or prospective material adverse changes relating to the Group; or (ii) in the event of a breach of the warranties or other obligations of the Company set out in the Placing Agreement.

Under the Placing Agreement the Company has agreed to pay certain fees and commissions to Shore Capital and certain other costs and expenses in connection with the Fundraising and Admission.

13. Additional information

Your attention is drawn to the risk factors set out in Part 2 of this document. Shareholders are advised to read the whole of this document and not rely solely on the summary information presented in this letter.

Details of the actions to be taken if you wish to apply for Open Offer Shares are provided in paragraph 4 of Part 3 of this document.

Yours faithfully,

John Conoley

Chairman

PART 2

RISK FACTORS

An investment in the Ordinary Shares involves a high degree of risk. Accordingly, prospective investors and Shareholders should carefully consider the risks set out below before making a decision to invest in the Company. The investment offered in this document may not be suitable for all of its recipients. Potential investors and Shareholders are accordingly advised to consult a professional adviser authorised under FSMA, if you are in the United Kingdom, or, if not, from another appropriately authorised independent financial adviser, who specialises in advising on the acquisition of shares and other securities, before making any investment decision. A prospective investor and Shareholders should consider carefully whether an investment in the Company is suitable in the light of his or her personal circumstances and the financial resources available to him or her.

Prospective investors and Shareholders should carefully consider the risks described below before making a decision to invest in the Company. This Part 2 contains what the Directors believe to be the principal risk factors associated with an investment in the Company. However, the risks listed do not purport to be an exhaustive summary of the risks affecting the Group and are not set out in any particular order of priority. Additional risks and uncertainties not currently known to the Directors or which the Directors currently deem immaterial may also have an adverse effect on the Group. In particular, the Company's performance may be affected by changes in market or economic conditions and in legal, regulatory and tax requirements.

If any of the following risks were to materialise, the Company's business, financial condition, results or future operations could be materially adversely affected. In such cases, the market price of the Ordinary Shares could decline and an investor may lose part or all of his or her investment.

This document contains forward-looking statements that involve risks and uncertainties. The Company's actual results could differ materially from those anticipated in the forward-looking statements as a result of many factors, including the risks faced by the Company which are described below and elsewhere in this document. Prospective investors and Shareholders should carefully consider the other information in this document.

There can be no certainty that the Company will be able to successfully implement its strategy. Additional risks and uncertainties not currently known to the Directors or which the Directors currently deem immaterial may also have an adverse effect on the Company.

Forward-looking statements

This document includes "forward-looking statements" which include all statements other than statements of historical facts including, without limitation, those regarding the Group's financial position, business strategy, plans and objectives of management for future operations and any statements preceded by, followed by or that include forward-looking terminology such as the words "targets", "plan", "project", "believes", "estimates", "aims", "intends", "can", "may", "expects", "forecasts", "anticipates", "would", "should", "could" or similar expressions or the negative thereof. Such forward-looking statements involve known and unknown risks, uncertainties and other important factors beyond the Company's control that could cause the actual results, performance or achievements of the Company to be materially different from its future results, performance or achievements expressed or implied by such forward-looking statements. Such forward-looking statements are based on numerous assumptions regarding the Company's present and future business strategies and the environment in which the Group will operate in the future. Among the important factors that could cause the Company's actual results, performance or achievements to differ materially from those implied by any forward-looking statements include factors in this Part 2 and elsewhere in this document. These forward-looking statements speak only as at the date of this document. Save as is required by law or regulation (including to meet the requirements of the AIM Rules, the City Code, the Prospectus Regulation Rules and/or FSMA), the Company, Shore Capital and their respective directors, officers, employees, agents, members and partners expressly disclaim any obligation or undertaking to update publicly or revise any forward-looking statements (including to reflect any change in expectations

with regard thereto or any change in events, conditions or circumstances on which any such statement is based). As a result of these factors, the events described in the forward looking statements in this document may not occur. Prospective investors and Shareholders should be aware that these statements are estimates, reflecting only the judgement of the Company's management and prospective investors and Shareholders should not rely on any forward-looking statements.

The Ordinary Shares should be regarded as a highly speculative investment and an investment in Ordinary Shares may not be suitable for all recipients of this document, which should only be made by those with the necessary expertise to fully evaluate such an investment. The Directors believe the following risks should be considered carefully by investors before acquiring Ordinary Shares. Accordingly, prospective investors are advised to consult an independent adviser authorised under FSMA or, if they are a person outside the UK, a person otherwise similarly qualified in their jurisdiction who specialises in advising in investments of this kind before making any investment decisions. A prospective investor should consider carefully whether an investment in the Company is suitable in the light of his personal circumstances and the financial resources available to him. If any of the risks described in this document actually occurs, the Group may not be able to conduct its business as currently planned and its financial condition (including level of indebtedness), operating results and cash flows could be seriously harmed. In that case, the market price of the Ordinary Shares could decline and all or part of an investment in the Ordinary Shares could be lost. No inference ought to be drawn as to the order in which the following risk factors are presented as to their relative importance or potential effect.

Risks factors relating to the Company

The novel coronavirus outbreak in China and elsewhere may disrupt our supply chain

The impact of the coronavirus (Covid-19) outbreak on public life and industry is also affecting the Group's global supply chain. With what the Directors know presently, coronavirus is likely to have an impact of up to £4 million on the Group's FY2020 revenue, currently expected to be restricted largely to Q2 2020. It is expected that some of this is likely to be recovered, not permanently lost, and will fall into the higher margin second half of the year.

However, the situation is fluid. The length and severity of the outbreak and pace of recovery are not clear, and if the return to full production at the Group's China-based suppliers is slower than anticipated, or if the outbreak results in restrictions on travel, imposition of quarantines or prolonged closures of workplaces, the supply chain disruption may yet have a material adverse effect on the global economy in general and on the operating results, business, financial condition and prospects of the Group.

Product prices from the Group's primary smoke alarm and connected products manufacturer cannot be reduced

The relationship with the Group's primary smoke alarm and connected products manufacturer is relatively new. Whilst progress has been made in increasing production yield and volumes, there remain challenges in levels of utilisation and efficiency in the manufacturing process which is impacting product costing in the short term. Whilst the Group's supply chain and technical teams are working with its primary manufacturing partner to ensure that efficiency is improved to reduce the future costs of production, and whilst all new products are designed to be manufactured in the most efficient way, if such challenges remain in the longer term, this may have a material adverse effect on the operating results, business, financial condition and prospects of the Group. In addition, the impact of the coronavirus outbreak may lead to increases in the costs of the electronic components used in the Group's products, which may detrimentally impact operating results.

Inability to multi-source production

Due to the high complexity and certification requirements of the Group's products, it is not practical to multi-source production across a number of suppliers. This weakens the Group's negotiating position with its existing suppliers and increases the concentration risk associated with a sole source of supply. Although the Group is addressing this in the future through modularity of product design, there is a heightened risk in the short term of supply disruption and higher prices with single-source supplier relationships.

Product warranty risk

Each year, the number of the Group's smoke and carbon monoxide products in the market increases and it is inevitable, given the technology-content of the Group's products, that despite best efforts to produce a product with zero defects, from time to time the Group will experience product warranty issues. Products are designed to 'fail safe' so that if it is not working, it is designed to alert the user that it requires attention. Many products have a ten-year life and if product issues do emerge, it is not unusual to experience the same product issues over a number of years. If a product fails, the Group's liability is governed by the contractual agreement with its immediate customer which may include the provision of a replacement product. If the defect relates to the design of the product, the Group has insurance in place against potential claims but not the cost of replacing products in the market place. A manufacturing defect may not be covered by the Group's suppliers' insurance in all circumstances. The cost to the Group of any product issued with a design defect would extend beyond the cost of any specific claims brought against it, including potentially swapping products out in the market place or in the worst case, a product recall. The cost of potentially replacing defective units already distributed and the reputational impact that could occur at product, brand and Group level would be significant. As at 31 December 2019, a provision of £3.5 million is held against the FireAngel battery warranty provision, an isolated legacy issue relating to a third-party supplier.

Exchange rate risk

The Group operates internationally giving rise to exposure from changes in foreign currency exchange rates. The majority of the components used in the manufacture of the Group's products are priced in US dollars. The Group also receives a significant proportion of its revenues in Euros from sales in the EMEA region. Unprecedented levels of uncertainty in global economic markets, and in particular around the UK's future trading relationship with the rest of the world, has led to a prolonged weakening in the value of Sterling against both currencies. The Group manages this risk through the matching of foreign currency receipts and payments, where possible, and also through a policy of hedging using forward exchange contracts to guarantee the future exchange rate at which chosen volumes of currency are exchanged, however if such levels of uncertainty continue and the value of Sterling against the US dollar and the Euro remains depressed, this may have a material adverse effect on the operating results, business, financial condition and prospects of the Group.

Working capital and liquidity risk

Recent poor financial results may lead to reduced credit terms being offered by suppliers. The requirement to pay suppliers earlier than anticipated could put short term pressure on the Group's cash flows, lead to the deferral of investment decisions and in the worst case have a material adverse effect on its financial condition.

Changing trends in the market

The introduction of connected home products and solutions with companies seeking to connect and monitor products in the home via the internet could potentially reduce the popularity of the Group's standalone safety product range. The Group is selling its own connected home solutions products and is increasing its investment in technology and products which connect to the internet. The Group continues to invest in product technology to reduce the cost of connected home solutions and to ensure that they are products of choice for the Group's customers.

It is possible that new products and technologies may emerge in the future as more viable alternatives to the Group's products. The Group dedicates significant resources to product research and development to keep the business and its products at the forefront of technology. The Group seeks to stay abreast of emerging market trends to position the Group to exploit and commercialise such technologies as they appear. The Group regularly reviews other technologies to ensure that it has the right technology and engineering capability in-house.

However, there can be no guarantees that new products, modifications or services will be successfully developed or, if developed, successfully sold to customers. This could affect the Group's future revenues and profits.

Competition risk

Several home safety product companies are considered to be direct competitors of the Group. These companies vary in the relative strength of their product offering. As competitors launch new products, the Group's prospects may be impacted which could either reduce or enhance the Group's product sales. The Group, in part to mitigate against this competitive threat, continues to commit significant resources to research and development, as it has done since foundation. It cannot, however, be guaranteed that the Group will be able to succeed in developing new products that can compete head-on with competitors' products.

Intellectual property risk

Many of the Group's products are protected by intellectual property rights and the market can be characterised as having relatively high barriers to entry in this regard. Before introducing new products, the Group carefully checks that it is not infringing the patented technology of third parties. Potentially, third parties could seek to copy or find a workaround to the Group's registered technology.

The Group's principal protection in the market lies in its business model rather than through any specific intellectual property rights. The breadth of the Group's product range and its ability to add new products and leverage its brands across the markets it serves represents a significant barrier to entry to competitors. The Group is not dependent on any one single patent for sales. The Group's products are protected by over 50 granted patents in its major markets and the Group continues to register new patents to protect its IP where the Group believes it is appropriate to do so.

Notwithstanding this, any failure to protect or successfully defend the Group's intellectual property may result in another party copying or otherwise obtaining and using its proprietary technology or other intellectual property without authorisation. There may not be adequate protection for the intellectual property in every country in which the Group's products are sold and policing unauthorised use of proprietary information is difficult and expensive. The Group cannot guarantee that it will be able to detect and prevent infringement of its intellectual property but would rigorously defend its intellectual property if it believed it was being infringed.

Any misappropriation of the Group's intellectual property could have a material adverse impact on the Group's business and its operating results. Furthermore, the Group may need to take legal action to enforce its intellectual property, to protect trade secrets or to determine the validity or scope of the proprietary rights of others which may result in substantial costs and the diversion of resources and management attention and there can be no guarantee as to the outcome of any such litigation.

The Group is not aware of any third party that has any claim over the intellectual property of the Group, however, if it was proven that part of the Group's intellectual property was in fact owned by a third party, this could lead to the removal of certain functionality from the Group's products or for certain products to be removed from the market altogether. Any legal action resulting from such claims would likely be time-consuming and expensive. In either case the business, financial condition and results of operations may be materially and adversely affected.

Distributor relationships

The Group works with third party distributors of its products in Continental Europe who own the key customer relationships and undertake marketing support activities to drive revenue in the markets they serve. The Group is dependent upon these distributors to fulfil these roles in an effective and efficient manner to continue to grow sales in these jurisdictions. Given the significant concentration of sales through a small number of distributors, the Group closely monitors sales by the third-party distributors. The Group has on occasion financially supported its distributors with extensions to payment terms. From time to time, overstocking in the distribution channel may cause financial pressures on the Group and its third-party distributors depending on the sales conditions in the relevant market. The Group keeps in close contact with each of its distributors to monitor their sales and market conditions to maximise the sales potential of the distributor and the Group.

Product certification compliance

Products are required to comply with the appropriate certification standards. If products do not comply, certification bodies could insist on quarantining product for further testing, rework, or, in extreme situations, a recall. This could affect the Group's future revenues and profits.

UK's exit from the European Union

In October 2019, a withdrawal agreement (the "**Withdrawal Agreement**") setting out the terms of the UK's exit from the EU was agreed between the UK and EU governments. The Withdrawal Agreement, which became effective on 31 January 2020, includes the terms of a transition or "standstill" period until 31 December 2020. During the transition period, the UK has formally withdrawn from the EU but is still treated for most purposes as an EU member state. The UK and EU have been negotiating the terms of a trading arrangement which will apply following the end of the transition period.

The Board has taken steps to prepare for the end of the transition period. These actions include setting up a dedicated cross-functional project team; reviewing all imports and exports by country with visibility maps of supply routes; considering the impact of potential changes on the Group's strategic objectives; reviewing warehouse locations and logistics procedures; registering for appropriate VAT and customs procedures; and assessing the potential cash impact of tariffs and new arrangements.

The extent of the impact would depend in part on the nature of the arrangements that are put in place between the UK and the European Union following the end of the transition period and the extent to which the UK continues to apply laws that are based on European Union legislation. However the Group's primary manufacturing partner for smoke, heat and accessory products is based in Poland, and Poland has not adopted the Euro (notwithstanding it has been a full member of the EU since 2004). Should the import duty regime change following the end of the transition period, the Group would review the import duty arrangements and adjust its product pricing accordingly.

The general speculation and concern surrounding the nature of the trading arrangement which will apply following the end of the transition period has also caused uncertainty in the market which may damage confidence. Due to this, the macroeconomic effect of this on the Group's business is unknown. As such, it is not possible to state the impact that any such trading arrangement would have either on the Company or the Group as a whole and whether such impact would positively or adversely affect the business. Any of these risks could have a material adverse effect on the operating results, business, financial condition and prospects of the Group.

Staff recruitment and retention risk

As with most businesses, particularly those operating in a technical field, the Group is dependent on engaging employees with key managerial, engineering and technical skills. The contribution of the Group's dedicated staff and management team has been, and continues to be, critical to the Group's success. Should the Group be unable to attract new employees, or retain existing employees, this could have a material adverse effect on the Group's ability to grow or maintain its business.

The Group's development and prospects are somewhat dependent upon the continued services and performance of its Directors, senior management and other key personnel. The loss of the services of any of the Directors, senior management or key personnel or a substantial number of talented employees, could cause disruption which could have a material adverse effect on the Group's business, financial condition and results of operations until suitable replacements are found.

International trade regulations

The Group's activities involve the import and export of products. Any changes in the regulations covering such movements might impact the Group's trading activities. Increasing geographical reach and continual expansion of the Group's customer base, particularly into Continental Europe, exposes the Group to a potentially wider set of regulatory restrictions. Risks associated with Brexit are described as a separate risk above. If the Group is unable to comply with, or react quickly enough to, any new regulation introduced, or changes made to existing regulations, it may lose customers, find it more difficult to win new customers or, in the worst case, lose the ability to distribute products into certain jurisdictions resulting in lost sales and profits.

Health and safety risk

As the Group's product range expands, the risk of non-compliance with health and safety regulations increases. The Group handles products with low levels of radioactive particles in the 'foils' contained within ionisation alarms which were historically sold in the UK. Changes to product design mean that products incorporating radioactive particles are no longer sold.

Payment of dividends will be dependent on results, financial condition and restrictions

The Group's future payment of dividends will be a decision of the Board. Under the Companies Act, a company can only pay cash dividends to the extent that it has distributable reserves and cash available for this purpose. As a holding company, the Company's results of operations and financial condition are dependent on the trading performance of members of the Group. The Company's ability to pay dividends in the future will depend on the level of distributions, if any, received from its subsidiaries, the progress of the Group's business, its ability to be profitable in future, availability of distributable reserves and cash received from subsidiaries. Certain of the Group's operating subsidiaries may, from time to time, be subject to restrictions on their ability to pay dividends or distributions to the Company and there can be no assurance that such restrictions will not have a material adverse effect on the Group's business, financial condition or results of operations. This could limit the payment of dividends and other distributions to the Company by its subsidiaries, which could in turn restrict the Company's ability to pay a dividend to holders of the Ordinary Shares.

Risks factors relating to the Fundraising

Dilution

Shareholders not participating in the Open Offer will experience dilution in their proportionate ownership and voting interest in the Company as a result of the Fundraising. Subject to certain exceptions, Shareholders in Restricted Jurisdictions will not be able to participate in the Open Offer and/or may otherwise need to observe applicable legal requirements or other formalities to enable them to apply for Open Offer Shares under the Open Offer.

Valuation of shares

The Issue Price has been determined by the Company and may not relate to the Company's net asset value, net worth or any established criteria or value. There can be no guarantee that the Ordinary Shares will be able to achieve higher valuations or, if they do so, that such higher valuations can be maintained.

Volatility of share price

The trading price of the Ordinary Shares may be subject to wide fluctuations in response to a number of events and factors, such as variations in operating results, announcements of innovations or new services by the Group or its competitors, changes in financial estimates and recommendations by securities analysts, the share price performance of other companies that investors may deem comparable to the Group, news reports relating to trends in the Group's markets, large purchases or sales of Ordinary Shares, liquidity (or absence of liquidity) in the Ordinary Shares, currency fluctuations, legislative or regulatory changes and general economic conditions. These fluctuations may adversely affect the trading price of the Ordinary Shares, regardless of the Group's performance.

In addition, if the stock market in general experiences loss of investor confidence, the trading price of the Ordinary Shares could decline for reasons unrelated to the Group's business, financial condition or operating results. The trading price of the Ordinary Shares might also decline in reaction to events that affect other companies in the industry, even if such events do not directly affect the Group. Each of these factors, among others, could harm the value of the Ordinary Shares.

Market perception

Market perception of the Company may change, potentially affecting the value of investors' holdings and the ability of the Company to raise further funds by the issue of further Ordinary Shares or otherwise.

General investment risks

Investment risk and AIM

The Existing Ordinary Shares are, and the New Ordinary Shares will be, quoted on AIM rather than the Official List. The rules of AIM are less demanding than those of the Official List and an investment in shares quoted on AIM may carry a higher risk than an investment in shares quoted on the Official List. AIM has been in existence since June 1995 but its future success and liquidity in the market for the Company's securities cannot be guaranteed. Investors should be aware that the value of the Existing Ordinary Shares and the New Ordinary Shares may be volatile and may go down as well as up and investors may therefore not recover their original investment. The market price of the Existing Ordinary Shares and the New Ordinary Shares may not reflect the underlying value of the Company's net assets. The price at which investors may dispose of their shares in the Company may be influenced by a number of factors, some of which may pertain to the Company, and others of which are extraneous. On any disposal investors may realise less than the original amount invested.

Legislation and tax

This document has been prepared on the basis of current legislation, rules and practice and the advisers' interpretation thereof. Such interpretation may not be correct and it is always possible that legislation, rules and practice may change. Any changes in legislation, and in particular any changes to the basis of taxation, tax relief and rates of tax, may affect the availability of the relief.

Investors should consider carefully whether an investment in the Company is suitable for them in light of the risk factors outlined above, their personal circumstances and the financial resources available to them.

This list should not be considered an exhaustive statement of all potential risks and uncertainties.

PART 3

TERMS AND CONDITIONS OF THE OPEN OFFER

1. Introduction

As explained in Part 1 of this document, the Company proposes to issue up to 50,623,576 Open Offer Shares at the Issue Price in order to raise up to approximately £6.1 million (before expenses) by way of the Open Offer.

The Open Offer is an opportunity for Qualifying Shareholders (other than, subject to certain exemptions, those Shareholders in Restricted Jurisdictions) to apply to subscribe for Open Offer Shares at the Issue Price in accordance with the terms of the Open Offer. There will be no more than 50,623,576 Open Offer Shares issued under the Open Offer.

The Open Offer Shares to be issued pursuant to the Open Offer will, following Admission, rank *pari passu* in all respects with the Existing Ordinary Shares and the Placing Shares (if any) to be issued pursuant to the Placing, and will carry the right to receive all dividends and distributions declared, made or paid on or in respect of the Ordinary Shares after Admission.

Any Qualifying Shareholder who has sold or transferred all or part of his registered holding(s) of Existing Ordinary Shares prior to 8.00 a.m. on 23 March 2020, when the Existing Ordinary Shares are marked “ex” the entitlement to the Open Offer, is advised to consult his stockbroker, bank or other agent through or to whom the sale or transfer was effected as soon as possible since the invitation to apply for Open Offer Shares under the Open Offer may be a benefit which may be claimed from him by the purchaser(s) or transferee(s) under the rules of the London Stock Exchange.

The Open Offer is not conditional upon the level of applications made to subscribe under the Open Offer or upon any minimum level of proceeds being raised. For the purposes of section 578 of the Act, the Open Offer is being made on the basis that the Open Offer Shares subscribed for will be allotted in any event. Accordingly, even if the Open Offer is not fully subscribed, Open Offer Shares will be issued to Qualifying Shareholders who have applied (subject to the terms and conditions set out in this document and the Application Form).

A summary of the arrangements relating to the Open Offer is set out below. This document and, for Qualifying Non-CREST Shareholders, the Application Form contain the formal terms and conditions of the Open Offer. Your attention is drawn to paragraph 4 of this Part 3 which gives details of the procedure for application and payment for the Open Offer Shares. The attention of Overseas Shareholders is drawn to paragraphs 6 and 7 of this Part 3.

2. The Open Offer

Subject to the terms and conditions set out below (and, in the case of Qualifying Non-CREST Shareholders, in the Application Form), Qualifying Shareholders are being given the opportunity to apply for up to their Open Offer Entitlement at the Issue Price (payable in full on application and free of all expenses) and will have a Open Offer Entitlement of:

2 Open Offer Shares for every 3 Existing Ordinary Shares

registered in the name of each Qualifying Shareholder on the Record Date. Valid applications by Qualifying Shareholders will be satisfied in full up to their Open Offer Entitlements.

Open Offer Entitlements will be rounded down to the nearest whole number and any fractional entitlements to Open Offer Shares will be disregarded in calculating Open Offer Entitlements. Qualifying Shareholders with fewer than 3 Existing Ordinary Shares will not be able to apply for Open Offer Shares. Qualifying Shareholders may apply to acquire less than their Open Offer Entitlement should they so wish.

Please note that holdings of Existing Ordinary Shares in certificated and uncertificated form will be treated as separate holdings for the purpose of calculating Open Offer Entitlements, as will holdings under different designations and in different accounts.

Qualifying CREST Shareholders will have their Open Offer Entitlements credited to their stock accounts in CREST and should refer to paragraphs 4.2(a) to 4.2(j) of this Part 3 and also to the CREST Manual for further information on the relevant CREST procedures.

Qualifying Shareholders may apply for any whole number of Open Offer Shares up to their Open Offer Entitlement. The Open Offer Entitlement, in the case of Qualifying Non-CREST Shareholders, is equal to the number of Open Offer Shares shown in Box 4 on the Application Form or, in the case of Qualifying CREST Shareholders, is equal to the number of Open Offer Entitlements standing to the credit of their stock account in CREST.

The maximum aggregate number of Open Offer Shares available for subscription pursuant to the Open Offer is 50,623,576 Open Offer Shares.

Qualifying Shareholders should note that the Open Offer is not a rights issue. Qualifying Non-CREST Shareholders should also note that their Application Forms are not negotiable documents and cannot be traded. Qualifying CREST Shareholders should note that, although the Open Offer Entitlements will be credited to CREST and be enabled for settlement, applications in respect of Open Offer Entitlements may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim raised by Euroclear's Claims Processing Unit. Qualifying Shareholders should be aware that in the Open Offer, unlike with a rights issue, any Open Offer Shares not applied for by Qualifying Shareholders under their Open Offer Entitlements will not be sold in the market on behalf of, or placed for the benefit of, Qualifying Shareholders who do not apply under the Open Offer. Qualifying Shareholders who do not apply to take up Open Offer Shares will have no rights under the Open Offer.

The Open Offer will be made to Shareholders outside the EEA by means of a notice in the London Gazette, details of which are provided in paragraph 7 of this Part 3.

Any Qualifying Shareholder who has sold or transferred all or part of his registered holding(s) of Existing Ordinary Shares prior to 8.00 a.m. on 23 March 2020 is advised to consult his stockbroker, bank or other agent through or to whom the sale or transfer was effected as soon as possible since the invitation to apply for Open Offer Shares under the Open Offer may be a benefit which may be claimed from him by the purchaser(s) or transferee(s) under the rules of the London Stock Exchange.

The Existing Ordinary Shares are already admitted to CREST. No further application for admission to CREST is accordingly required for the New Ordinary Shares. All such New Ordinary Shares, when issued and fully paid, may be held and transferred by means of CREST.

Application will be made for the Open Offer Entitlements to be admitted to CREST. The conditions for such admission having already been met, the Open Offer Entitlements are expected to be admitted to CREST with effect from 24 March 2020.

The Open Offer Shares will be issued credited as fully paid and will rank *pari passu* in all respects with the Existing Ordinary Shares and the Placing Shares. The Open Offer Shares are not being made available in whole or in part to the public except under the terms of the Open Offer.

3. Conditions and further terms of the Open Offer

The Open Offer is conditional, *inter alia*, upon Admission becoming effective by not later than 8.00 a.m. on 9 April 2020 (or such later time and/or date as may be agreed between the Company and Shore Capital, but being no later than 8.00 a.m. on 28 April 2020).

Accordingly, if any of these conditions are not satisfied or waived (where capable of waiver) by 8.00 a.m. on 9 April 2020 (or such later time and/or date as may be agreed between the Company and Shore Capital but, being no later than 8.00 a.m. on 28 April 2020), the Open Offer will not proceed and any applications made by Qualifying Shareholders will be rejected. In such circumstances, application monies will be returned (at the applicant's sole risk), without payment of interest, as soon as practicable thereafter. Revocation of applications for Open Offer Shares cannot occur after dealings have begun.

No temporary documents of title will be issued in respect of Open Offer Shares held in uncertificated form. Definitive certificates in respect of Open Offer Shares taken up are expected to be posted to those Qualifying

Shareholders who have validly elected to hold their Open Offer Shares in certificated form no later than 22 April 2020. In respect of those Qualifying Shareholders who have validly elected to hold their Open Offer Shares in uncertificated form, the Open Offer Shares are expected to be credited to their stock accounts maintained in CREST on 9 April 2020.

Application will be made for the Open Offer Shares to be admitted to trading on AIM. Admission is expected to occur on 9 April 2020, when dealings in the Open Offer Shares are expected to begin.

All monies received by the Receiving Agent in respect of Open Offer Shares will be held in a separate non-interest bearing bank account opened solely for the Open Offer.

If for any reason it becomes necessary to adjust the expected timetable as set out in this document, the Company will make an appropriate announcement to a Regulatory Information Service giving details of the revised dates.

4. Procedure for application and payment

The action to be taken by Qualifying Shareholders in respect of the Open Offer depends on whether, at the relevant time, a Qualifying Shareholder has an Application Form in respect of his Open Offer Entitlement or a Qualifying Shareholder has Open Offer Entitlements credited to his CREST stock account in respect of such entitlement.

Qualifying Shareholders who hold their Existing Ordinary Shares in certificated form (that is, not in CREST) will be allotted Open Offer Shares in certificated form. Qualifying Shareholders who hold all or part of their Existing Ordinary Shares in uncertificated form (that is, in CREST) will be allotted Open Offer Shares in uncertificated form to the extent that their entitlement to Open Offer Shares arises as a result of holding Existing Ordinary Shares in uncertificated form. However, it will be possible for Qualifying Shareholders to deposit Open Offer Entitlements into, and withdraw them from, CREST. Further information on deposit and withdrawal from CREST is set out in paragraph 4.2(e) of this Part 3.

CREST Sponsored Members should refer to their CREST Sponsor, as only their CREST Sponsor will be able to take the necessary action specified below to apply under the Open Offer in respect of the Open Offer Entitlements of such members held in CREST. CREST Members who wish to apply under the Open Offer in respect of their Open Offer Entitlements in CREST should refer to the CREST Manual for further information on the CREST procedures referred to below.

Qualifying Shareholders who do not want to take up or apply for the Open Offer Shares under the Open Offer should take no action and should not complete or return the Application Form.

4.1 If you have an Application Form in respect of your entitlement under the Open Offer

(a) General

Subject as provided in paragraphs 6 and 7 of this Part 3 in relation to Overseas Shareholders, Qualifying Non-CREST Shareholders will receive an Application Form. The Application Form shows the number of Existing Ordinary Shares registered in their name on the Record Date in Box 3. It also shows the number of Open Offer Shares which represents their Open Offer Entitlement under the Open Offer, as shown by the total number of Open Offer Entitlements allocated to them set out in Box 4. Box 5 shows how much they would need to pay if they wish to take up their Open Offer Entitlement in full. Qualifying Non-CREST Shareholders wishing to take up their Open Offer Entitlement in full should complete Boxes 6 and 7 and then sign where indicated in Box 2 or in Box 9 (as applicable).

Any fractional entitlements to Open Offer Shares will be disregarded in calculating Qualifying Non-CREST Shareholders' Open Offer Entitlements. Any Qualifying Non-CREST Shareholders with fewer than 3 Existing Ordinary Shares will not receive an Open Offer Entitlement. Qualifying Non-CREST Shareholders may apply for less than their Open Offer Entitlement should they wish to do so. Qualifying Non-CREST Shareholders wishing to apply for Open Offer Shares representing less than their Open Offer Entitlement may do so by completing Boxes 6 and 7 of the Application Form and then sign where indicated in Box 2 or in Box 9 (as applicable). Qualifying Non-CREST Shareholders may hold such an Application Form by virtue of a *bona fide* market claim (see

paragraph 4.1(b) of this Part 3).

The instructions and other terms set out in the Application Form form part of the terms of the Open Offer to Qualifying Non-CREST Shareholders.

(b) *Bona fide market claims*

Applications to acquire Open Offer Shares may only be made on the Application Form and may only be made by the Qualifying Non-CREST Shareholder named in it or by a person entitled by virtue of a *bona fide* market claim in relation to a purchase of Existing Ordinary Shares through the market prior to the date upon which the Existing Ordinary Shares were marked “ex” the entitlement to participate in the Open Offer. Application Forms may not be assigned, transferred or split, except to satisfy *bona fide* market claims up to 3.00 p.m. on 6 April 2020. The Application Form is not a negotiable document and cannot be separately traded. A Qualifying Non-CREST Shareholder who has sold or otherwise transferred all or part of his holding of Existing Ordinary Shares prior to the date upon which the Existing Ordinary Shares were marked “ex” the entitlement to participate in the Open Offer, should consult his broker or other professional adviser as soon as possible, as the invitation to acquire Open Offer Shares under the Open Offer may be a benefit which may be claimed by the purchaser(s) or transferee(s). Qualifying Non-CREST Shareholders who have sold all or part of their registered holdings should, if the market claim is to be settled outside CREST, complete Box 8 on the Application Form and as soon as possible send it to either the stockbroker, bank or other agent through whom the sale or transfer was effected for transmission to the purchaser or to the Receiving Agent in accordance with the instructions set out in the accompanying Application Form. Subject to certain exceptions, the Application Form should not, however, be forwarded to or transmitted in or into a Restricted Jurisdiction. If the market claim is to be settled outside CREST, the beneficiary of the claim should follow the procedures set out in the accompanying Application Form. If the market claim is to be settled in CREST, the beneficiary of the claim should follow the procedures set out in paragraph 4.2(b) of this Part 3.

(c) *Application procedures*

Qualifying Non-CREST Shareholders wishing to apply to acquire all or any of the Open Offer Shares to which they are entitled should complete the Application Form in accordance with the instructions printed on it. Completed Application Forms should be posted in the accompanying reply-paid envelope or returned by post or by hand (during normal office hours only) to Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD (who will act as Receiving Agent in relation to the Open Offer), so as to be received by the Receiving Agent **by no later than 11.00 a.m. on 8 April 2020**, after which time Application Forms will not be valid (subject to certain exceptions described below). Qualifying Non-CREST Shareholders should note that applications, once made, will be irrevocable and receipt thereof will not be acknowledged. If an Application Form is being sent by first-class post in the UK, Qualifying Shareholders are recommended to allow at least four working days for delivery.

Application Forms delivered by hand will not be checked upon delivery and no receipt will be provided.

Completed Application Forms should be returned with a cheque or banker's draft drawn in sterling on a bank or building society in the UK which is either a member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which has arranged for its cheques and banker's drafts to be cleared through facilities provided by any of those companies or committees. Such cheques or banker's drafts must bear the appropriate sort code in the top right-hand corner and must be for the full amount payable on the application.

Cheques should be drawn on a personal account in respect of which the Qualifying Shareholder has sole or joint title to the funds and should be made payable to “Neville Registrars Limited Re: clients account” and crossed “A/C Payee Only”. Third party cheques (other than building society cheques or banker's drafts where the building society or bank has confirmed that the relevant Qualifying Shareholder has title to the underlying funds by completing the account name on the back of the cheque or draft and adding the branch stamp) will not be accepted. Payments via CHAPS, BACS or electronic transfer will not be accepted.

Cheques and banker's drafts will be presented for payment on receipt and it is a term of the Open Offer that cheques and banker's drafts will be honoured on first presentation. The Company may elect to treat as valid or invalid any applications made by Qualifying Non-CREST Shareholders in respect of which cheques are not so honoured. If cheques or banker's drafts are presented for payment before the conditions of the Open Offer are fulfilled, the application monies will be kept in a separate non-interest bearing bank account until all conditions are met. If the Open Offer does not become unconditional, no Open Offer Shares will be issued and all monies will be returned (at the applicant's sole risk), without payment of interest, to applicants as soon as practicable following the lapse of the Open Offer.

The Company may in its sole discretion, but shall not be obliged to, treat an Application Form as valid and binding on the person by whom or on whose behalf it is lodged, even if not completed in accordance with the relevant instructions or not accompanied by a valid power of attorney where required, or if it otherwise does not strictly comply with the terms and conditions of the Open Offer. The Company further reserves the right (but shall not be obliged) to accept either:

- (i) Application Forms received after 11.00 a.m. on 8 April 2020; or
- (ii) applications in respect of which remittances are received before 11.00 a.m. on 8 April 2020 from authorised persons (as defined in FSMA) specifying the Open Offer Shares applied for and undertaking to lodge the Application Form in due course but, in any event, within two Business Days.

Multiple applications will not be accepted. All documents and remittances sent by post by or to an applicant (or as the applicant may direct) will be sent at the applicant's own risk.

If Open Offer Shares have already been allotted and issued to a Qualifying Non-CREST Shareholder and such Qualifying Non-CREST Shareholder's cheque or banker's draft is not honoured upon first presentation or such Qualifying Non-CREST Shareholder's application is subsequently otherwise deemed to be invalid, the Receiving Agent shall be authorised (in its absolute discretion as to manner, timing and terms) to make arrangements, on behalf of the Company, for the sale of such Qualifying Non-CREST Shareholder's Open Offer Shares and for the proceeds of sale (which for these purposes shall be deemed to be payments in respect of successful applications) to be paid to and retained by the Company. Neither the Receiving Agent, the Company, nor any other person, shall be responsible for, or have any liability for, any loss, expense or damage suffered by such Qualifying Non-CREST Shareholder as a result.

(d) Effect of application

By completing and delivering an Application Form, the applicant:

- (i) represents and warrants to the Company that he has the right, power and authority, and has taken all action necessary, to make the application under the Open Offer and to execute, deliver and exercise his rights, and perform his obligations under any contracts resulting therefrom and that he is not a person otherwise prevented by legal or regulatory restrictions from applying for Open Offer Shares or acting on behalf of any such person on a non-discretionary basis;
- (ii) agrees with the Company that all applications under the Open Offer and any contracts or non-contractual obligations resulting therefrom shall be governed by and construed in accordance with the laws of England;
- (iii) confirms to the Company that in making the application he is not relying on any information or representation in relation to the Group other than those contained in this document, and the applicant accordingly agrees that no person responsible solely or jointly for this document or any part thereof, or involved in the preparation thereof, shall have any liability for any such information or representation not so contained herein and further agrees that, having had the opportunity to read this document, he will be deemed to have had notice of all information in relation to the Group contained in this document;
- (iv) confirms to the Company that in making the application he is not relying and has not relied on Shore Capital or any other person affiliated with Shore Capital in connection with any investigation of the accuracy of any information contained in this document or his investment decision;

- (v) confirms to the Company that no person has been authorised to give any information or to make any representation concerning the Group or the Open Offer Shares (other than as contained in this document) and, if given or made, any such other information or representation should not be, and has not been, relied upon as having been authorised by the Company or Shore Capital;
- (vi) represents and warrants to the Company that he is the Qualifying Shareholder originally entitled to the Open Offer Entitlements or that he received such Open Offer Entitlements by virtue of a *bona fide* market claim;
- (vii) represents and warrants to the Company that if he has received some or all of his Open Offer Entitlements from a person other than the Company, he is entitled to apply under the Open Offer in relation to such Open Offer Entitlements by virtue of a *bona fide* market claim;
- (viii) requests that the Open Offer Shares to which he will become entitled be issued to him on the terms set out in this document and the Application Form, subject to the articles of association of the Company;
- (ix) represents and warrants to the Company that he is not, nor is he applying on behalf of any person who is, a citizen or resident, or which is a corporation, partnership or other entity created or organised in or under any laws, of any Restricted Jurisdiction or any jurisdiction in which the making of the offer to him and/or the application for Open Offer Shares is prevented by law and he is not applying with a view to re-offering, re-selling, transferring or delivering any of the Open Offer Shares which are the subject of his application to, or for the benefit of, a person who is a citizen or resident or which is a corporation, partnership or other entity created or organised in or under any laws of any Restricted Jurisdiction or any jurisdiction in which the making of the offer to him and/or the application for Open Offer Shares is prevented by law (except where proof satisfactory to the Company has been provided to the Company that the Company is able to make and he is able to accept the invitation by the Company free of any requirement which it (in its absolute discretion) regards as unduly burdensome), nor acting on behalf of any such person on a non-discretionary basis nor any person(s) otherwise prevented by legal or regulatory restrictions from applying for Open Offer Shares under the Open Offer;
- (x) confirms that the Open Offer Shares have not been offered to the applicant by the Company, Shore Capital or any of their affiliates (as defined in Rule 501(b) of the US Securities Act), by means of any: (a) "directed selling efforts" as defined in Regulation S under the US Securities Act; or (b) "general solicitation" or "general advertising" as defined in Regulation D under the US Securities Act; and
- (xi) represents and warrants to the Company that he is not, and nor is he applying as nominee or agent for, a person who is or may be liable to notify and account for tax under the Stamp Duty Reserve Tax Regulations 1986 at any of the increased rates referred to in section 93 (depository receipts) or section 96 (clearance services) of the Finance Act 1986.

For all enquiries in connection with the procedure for application and completion of the Application Form, please contact Neville Registrars Limited on 0121 585 1131. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. and 5.00 p.m., Monday to Friday excluding public holidays in England and Wales. Please note that Neville Registrars Limited cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes.

Qualifying Non-CREST Shareholders who do not want to take up or apply for the Open Offer Shares under the Open Offer should take no action and should not complete or return the Application Form.

4.2 If you have Open Offer Entitlements credited to your stock account in CREST in respect of your entitlement under the Open Offer

(a) General

Subject as provided in paragraphs 6 and 7 of this Part 3 in relation to certain Overseas Shareholders, each Qualifying CREST Shareholder will receive a credit to his stock account in

CREST in respect of his Open Offer Entitlement. Any fractional entitlements to Open Offer Shares will be disregarded in calculating Qualifying Shareholders' Open Offer Entitlements. Any Qualifying CREST Shareholders with fewer than 3 Existing Ordinary Shares will not receive an Open Offer Entitlement.

The CREST stock account to be credited will be an account under the participant ID and member account ID that apply to the Existing Ordinary Shares held on the Record Date by the Qualifying CREST Shareholder in respect of which the Open Offer Entitlement has been allocated.

If for any reason the Open Offer Entitlements cannot be admitted to CREST, or the stock accounts of Qualifying CREST Shareholders cannot be credited, by 3.00 p.m. on 24 March 2020, or such later time and/or date as may be specified by the Company, an Application Form will be sent to each Qualifying CREST Shareholder in substitution for the Open Offer Entitlements which should have been credited to his stock account in CREST. In these circumstances, the expected timetable as set out in this document will be adjusted as appropriate and the provisions of this document applicable to Qualifying Non-CREST Shareholders with Application Forms will apply to Qualifying CREST Shareholders who receive such Application Forms.

CREST Members who wish to apply to acquire some or all of their entitlements to Open Offer Shares should refer to the CREST Manual for further information on the CREST procedures referred to below. Should you need advice with regard to these procedures, please contact Neville Registrars Limited on 0121 585 1131. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. and 5.00 p.m., Monday to Friday excluding public holidays in England and Wales. Please note that Neville Registrars Limited cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes.

(b) *Bona fide market claims*

The Open Offer Entitlements will constitute a separate security for the purposes of CREST and will have a separate ISIN. Although Open Offer Entitlements will be admitted to CREST and be enabled for settlement, applications in respect of Open Offer Entitlements may only be made by the Qualifying Shareholder originally entitled or by a person entitled by virtue of a *bona fide* market claim transaction. Transactions identified by the CREST Claims Processing Unit as "cum" the Open Offer Entitlement will generate an appropriate market claim transaction and the relevant Open Offer Entitlement(s) will thereafter be transferred accordingly.

(c) *USE instructions*

Qualifying CREST Shareholders who are CREST Members and who want to apply for Open Offer Shares in respect of all or some of their Open Offer Entitlements in CREST must send (or, if they are CREST Sponsored Members, procure that their CREST Sponsor sends) a USE instruction to Euroclear which, on its settlement, will have the following effect:

- (i) the crediting of a stock account of the Receiving Agent under the participant ID and member account ID specified below, with a number of Open Offer Entitlements corresponding to the number of Open Offer Shares applied for; and
- (ii) the creation of a CREST payment, in accordance with the CREST payment arrangements, in favour of the payment bank of the Receiving Agent in respect of the amount specified in the USE instruction which must be the full amount payable on application for the number of Open Offer Shares referred to in paragraph 4.2(c)(i) above.

(d) *Content of USE instruction in respect of Open Offer Entitlements*

The USE instruction must be properly authenticated in accordance with Euroclear's specifications and must contain, in addition to the other information that is required for settlement in CREST, the following details:

- (i) the number of Open Offer Shares for which application is being made (and hence the number of the Open Offer Entitlement(s) being delivered to the Receiving Agent);
- (ii) the ISIN of the Open Offer Entitlement. This is GB00BJP8LQ46;

- (iii) the CREST participant ID of the accepting CREST Member;
- (iv) the CREST Member account ID of the accepting CREST Member from which the Open Offer Entitlements are to be debited;
- (v) the participant ID of Neville Registrars Limited in its capacity as Receiving Agent. This is 7RA11;
- (vi) the member account ID of Neville Registrars Limited in its capacity as Receiving Agent. This is FASBASIC;
- (vii) the amount payable by means of a CREST payment on settlement of the USE instruction. This must be the full amount payable on application for the number of Open Offer Shares referred to in paragraph 4.2(d)(i) above;
- (viii) the intended settlement date. This must be on or before 11.00 a.m. on 8 April 2020; and
- (ix) the Corporate Action Number for the Open Offer. This will be available by viewing the relevant corporate action details in CREST.

In order for an application under the Open Offer to be valid, the USE instruction must comply with the requirements as to authentication and contents set out above and must settle on or before 11.00 a.m. on 8 April 2020.

In order to assist prompt settlement of the USE instruction, CREST Members (or their CREST Sponsors, where applicable) may consider adding the following non-mandatory fields to the USE instruction:

- (i) a contact name and telephone number (in the free format shared note field); and
- (ii) a priority of at least 80.

CREST Members and, in the case of CREST Sponsored Members, their CREST Sponsors, should note that the last time at which a USE instruction may settle on 8 April 2020 in order to be valid is 11.00 a.m. on that day.

In the event that Admission does not occur by 8.00 a.m. on 9 April 2020 (or such later time and/or date as may be agreed between the Company and Shore Capital, but being no later than 8.00 a.m. on 28 April 2020), the Open Offer will lapse and the Open Offer Entitlements admitted to CREST will be disabled and the Receiving Agent will refund the amount paid by a Qualifying CREST Shareholder by way of a CREST payment, without interest, as soon as practicable thereafter.

(e) *Deposit of Open Offer Entitlements into, and withdrawal from, CREST*

A Qualifying Non-CREST Shareholder's entitlement under the Open Offer as shown by the number of Open Offer Entitlements set out in his Application Form may be deposited into CREST (either into the account of the Qualifying Shareholder named in the Application Form or into the name of a person entitled by virtue of a *bona fide* market claim). Similarly, Open Offer Entitlements held in CREST may be withdrawn from CREST so that the entitlement under the Open Offer can be applied for through an Application Form. Normal CREST procedures (including timings) apply in relation to any such deposit or withdrawal, subject (in the case of a deposit into CREST) as set out in the Application Form.

A holder of an Application Form who is proposing to deposit the entitlement set out in such form into CREST is recommended to ensure that the deposit procedures are implemented in sufficient time to enable the person holding or acquiring the Open Offer Entitlements following their deposit into CREST to take all necessary steps in connection with taking up the entitlement prior to 11.00 a.m. on 8 April 2020.

In particular, having regard to normal processing times in CREST and on the part of the Receiving Agent, the recommended latest time for depositing an Application Form with the CREST Courier and Sorting Service, where the person entitled wishes to hold the entitlement under the Open Offer set out in such Application Form as Open Offer Entitlements in CREST, is 3.00 p.m. on 6 April 2020 and the recommended latest time for receipt by Euroclear of a dematerialised

instruction requesting withdrawal of Open Offer Entitlements or from CREST is 4.30 p.m. on 2 April 2020, in either case so as to enable the person acquiring or (as appropriate) holding the Open Offer Entitlements following the deposit or withdrawal (whether as shown in an Application Form or held in CREST) to take all necessary steps in connection with applying in respect of the Open Offer Entitlements prior to 11.00 a.m. on 8 April 2020.

Delivery of an Application Form with the CREST deposit form duly completed whether in respect of a deposit into the account of the Qualifying Shareholder named in the Application Form or into the name of another person, shall constitute a representation and warranty to the Company and the Receiving Agent by the relevant CREST Member(s) that it is/they are not in breach of the provisions of the notes under the paragraph headed "Instructions for depositing the entitlements under the Open Offer into CREST" on page 3 of the Application Form, and a declaration to the Company and the Receiving Agent from the relevant CREST Member(s) that it is/they are not citizen(s) or resident(s) of any Restricted Jurisdiction or any jurisdiction in which the making of the offer to him and/or the application for Open Offer Shares is prevented by law and, where such deposit is made by a beneficiary of a market claim, a representation and warranty that the relevant CREST Member(s) is/are entitled to apply under the Open Offer by virtue of a *bona fide* market claim.

(f) *Validity of application*

A USE instruction complying with the requirements as to authentication and contents set out above which settles by no later than 11.00 a.m. on 8 April 2020 will constitute a valid application under the Open Offer.

(g) *CREST procedures and timings*

CREST Members and (where applicable) their CREST Sponsors should note that Euroclear does not make available special procedures in CREST for any particular corporate action. Normal system timings and limitations will therefore apply in relation to the input of a USE instruction and its settlement in connection with the Open Offer. It is the responsibility of the CREST Member concerned to take (or, if the CREST Member is a CREST Sponsored Member, to procure that his CREST Sponsor takes) such action as shall be necessary to ensure that a valid application is made as stated above by 11.00 a.m. on 8 April 2020. In this connection CREST Members and (where applicable) their CREST Sponsors are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

(h) *Incorrect or incomplete applications*

If a USE instruction includes a CREST payment for an incorrect sum, the Company, through the Receiving Agent, reserves the right:

- (i) to reject the application in full and refund the payment to the CREST Member in question, without payment of interest;
- (ii) in the case that an insufficient sum is paid, to treat the application as a valid application for such lesser whole number of Open Offer Shares as would be able to be applied for with that payment at the Issue Price, refunding any unutilised sum to the CREST Member in question, without payment of interest; and
- (iii) in the case that an excess sum is paid, to treat the application as a valid application for all the Open Offer Shares referred to in the USE instruction, refunding any unutilised sum to the CREST Member in question, without payment of interest.

(i) *Effect of valid application*

A CREST Member who makes or is treated as making a valid application in accordance with the above procedures thereby:

- (i) represents and warrants to the Company that he has the right, power and authority, and has taken all action necessary, to make the application under the Open Offer and to execute, deliver and exercise his rights, and perform his obligations, under any contracts resulting therefrom and that he is not a person otherwise prevented by legal or regulatory restrictions from applying for Open Offer Shares or acting on behalf of any such person on a non-discretionary basis;

- (ii) agrees with the Company to pay the amount payable on application in accordance with the above procedures by means of a CREST payment in accordance with the CREST payment arrangements (it being acknowledged that the payment to the Receiving Agent's payment bank in accordance with the CREST payment arrangements shall, to the extent of the payment, discharge in full the obligation of the CREST Member to pay to the Company the amount payable on application);
- (iii) agrees with the Company that all applications under the Open Offer and any contracts or non-contractual obligations resulting therefrom shall be governed by, and construed in accordance with, the laws of England;
- (iv) confirms to the Company that in making the application he is not relying on any information or representation in relation to the Group other than those contained in this document, and the applicant accordingly agrees that no person responsible solely or jointly for this document or any part thereof, or involved in the preparation thereof, shall have any liability for any such information or representation not so contained herein and further agrees that, having had the opportunity to read this document, he will be deemed to have had notice of all the information in relation to the Group contained in this document;
- (v) confirms to the Company that in making the application he is not relying and has not relied on Shore Capital or any other person affiliated with Shore Capital in connection with any investigation of the accuracy of any information contained in this document or his investment decision;
- (vi) confirms to the Company that no person has been authorised to give any information or to make any representation concerning the Group or the Open Offer Shares (other than as contained in this document) and, if given or made, any such other information or representation should not be, and has not been, relied upon as having been authorised by the Company;
- (vii) represents and warrants to the Company that he is the Qualifying Shareholder originally entitled to the Open Offer Entitlements or that he has received such Open Offer Entitlements by virtue of a *bona fide* market claim;
- (viii) represents and warrants to the Company that if he has received some or all of his Open Offer Entitlements from a person other than the Company, he is entitled to apply under the Open Offer in relation to such Open Offer Entitlements by virtue of a *bona fide* market claim;
- (ix) requests that the Open Offer Shares to which he will become entitled be issued to him on the terms set out in this document and subject to the articles of association of the Company;
- (x) represents and warrants to the Company that he is not, nor is he applying on behalf of any person who is, a citizen or resident, or which is a corporation, partnership or other entity created or organised in or under any laws, of any Restricted Jurisdiction or any jurisdiction in which making of the offer to him and/or the application for Open Offer Shares is prevented by law and he is not applying with a view to re-offering, re-selling, transferring or delivering any of the Open Offer Shares which are the subject of his application to, or for the benefit of, a person who is a citizen or resident or which is a corporation, partnership or other entity created or organised in or under any laws of any Restricted Jurisdiction or any jurisdiction in which the making of the offer to him and/or the application for Open Offer Shares is prevented by law (except where proof satisfactory to the Company has been provided to the Company that the Company is able to make and he is able to accept the invitation by the Company free of any requirement which it (in its absolute discretion) regards as unduly burdensome), nor acting on behalf of any such person on a non-discretionary basis nor any person(s) otherwise prevented by legal or regulatory restrictions from applying for Open Offer Shares under the Open Offer;
- (xi) confirms that the Open Offer Shares have not been offered to the applicant by the Company, Shore Capital or any of their affiliates (as defined in Rule 501(b) of the US Securities Act), by means of any: (a) "directed selling efforts" as defined in Regulation S under the US Securities Act; or (b) "general solicitation" or "general advertising" as defined in Regulation D under the US Securities Act; and
- (xii) represents and warrants to the Company that he is not, and nor is he applying as nominee or agent for, a person who is or may be liable to notify and account for tax under the Stamp

Duty Reserve Tax Regulations 1986 at any of the increased rates referred to in section 93 (depository receipts) or section 96 (clearance services) of the Finance Act 1986.

(j) *Company's discretion as to the rejection and validity of applications*

The Company may in its sole discretion:

- (i) treat as valid (and binding on the CREST Member concerned) an application which does not comply in all respects with the requirements as to validity set out or referred to in this Part 3;
- (ii) accept an alternative properly authenticated dematerialised instruction from a CREST Member or (where applicable) a CREST Sponsor as constituting a valid application in substitution for or in addition to a USE instruction and subject to such further terms and conditions as the Company may determine;
- (iii) treat a properly authenticated dematerialised instruction (in this sub-paragraph the "first instruction") as not constituting a valid application if, at the time at which the Receiving Agent receives a properly authenticated dematerialised instruction giving details of the first instruction or thereafter, either the Company or the Receiving Agent has received actual notice from Euroclear of any of the matters specified in Regulation 35(5)(a) of the CREST Regulations in relation to the first instruction. These matters include notice that any information contained in the first instruction was incorrect or notice of lack of authority to send the first instruction; and
- (iv) accept an alternative instruction or notification from a CREST Member or CREST Sponsored Member or (where applicable) a CREST Sponsor, or extend the time for settlement of a USE instruction or any alternative instruction or notification, in the event that, for reasons or due to circumstances outside the control of any CREST Member or CREST Sponsored Member or (where applicable) CREST Sponsor, the CREST Member or CREST Sponsored Member is unable validly to apply for Open Offer Shares by means of the above procedures. In normal circumstances, this discretion is only likely to be exercised in the event of any interruption, failure or breakdown of CREST (or any part of CREST) or on the part of the facilities and/or systems operated by the Receiving Agent in connection with CREST.

5. Money Laundering Regulations

5.1 Holders of Application Forms

To ensure compliance with the Money Laundering Regulations, the Receiving Agent may require, at its absolute discretion, verification of the identity of the person by whom or on whose behalf the Application Form is lodged with payment (which requirements are referred to below as the "**verification of identity requirements**"). If the Application Form is submitted by a UK regulated broker or intermediary acting as agent and which is itself subject to the Money Laundering Regulations, any verification of identity requirements are the responsibility of such broker or intermediary and not of the Receiving Agent. In such case, the lodging agent's stamp should be inserted on the Application Form.

The person lodging the Application Form with payment and in accordance with the other terms as described above (the "**acceptor**"), including any person who appears to the Receiving Agent to be acting on behalf of some other person, accepts the Open Offer in respect of such number of Open Offer Shares as is referred to therein (for the purposes of this paragraph 5, the "**relevant Open Offer Shares**") and shall thereby be deemed to agree to provide the Receiving Agent with such information and other evidence as the Receiving Agent may require to satisfy the verification of identity requirements.

If the Receiving Agent determines that the verification of identity requirements apply to any acceptor or application, the relevant Open Offer Shares (notwithstanding any other term of the Open Offer) will not be issued to the relevant acceptor unless and until the verification of identity requirements have been satisfied in respect of that acceptor or application. The Receiving Agent is entitled, in its absolute discretion, to determine whether the verification of identity requirements apply to any acceptor or application and whether such requirements have been satisfied, and neither the Receiving Agent nor the Company will be liable to any person for any loss or damage suffered or incurred (or alleged), directly or indirectly, as a result of the exercise of such discretion.

If the verification of identity requirements apply, failure to provide the necessary evidence of identity and address within a reasonable time may result in delays in the despatch of share certificates or in crediting CREST accounts. If, within a reasonable time following a request for verification of identity, the Receiving Agent has not received evidence satisfactory to it as aforesaid, the Company may, in its absolute discretion, treat the relevant application as invalid, in which event the monies payable on acceptance of the Open Offer will be returned (at the acceptor's risk) without interest to the account of the bank or building society on which the relevant cheque or banker's draft was drawn.

Submission of an Application Form with the appropriate remittance will constitute a warranty to the Receiving Agent and the Company from the applicant that the Money Laundering Regulations will not be breached by application of such remittance.

The verification of identity requirements will not usually apply:

- (i) if the applicant is an organisation required to comply with the Money Laundering Directive (the EU Council Directive on the prevention of the use of the financial system for the purpose of money laundering and terrorist financing (no. 2015/859/EU)); or
- (ii) if the acceptor is a regulated UK broker or intermediary acting as agent and is itself subject to the Money Laundering Regulations; or
- (iii) if the applicant (not being an applicant who delivers his application in person) makes payment by way of a cheque drawn on an account in the applicant's name; or
- (iv) if the aggregate subscription price for the Open Offer Shares is less than the Sterling equivalent of €15,000 (approximately £13,910 as at the Latest Practicable Date).

In other cases the verification of identity requirements may apply. Satisfaction of these requirements may be facilitated in the following ways:

- (a) if payment is made by cheque or banker's draft in sterling drawn on a branch in the UK of a bank or building society which bears a UK bank sort code number in the top right hand corner, the following applies. Cheques, should be made payable to "Neville Registrars Limited: Re clients account" in respect of an application by a Qualifying Shareholder and crossed "A/C Payee Only" in each case. Third party cheques may not be accepted with the exception of building society cheques or bankers' drafts where the building society or bank has confirmed the name of the account holder by stamping or endorsing the cheque/bankers' draft to such effect. The account name should be the same as that shown on the Application Form; or
- (b) if the Application Form is lodged with payment by an agent which is an organisation of the kind referred to in paragraph 5.1(i) above or which is subject to anti-money laundering regulation in a country which is a member of the Financial Action Task Force (the non-European Union members of which are Argentina, Australia, Brazil, Canada, China, Hong Kong, Iceland, India, Japan, Malaysia, Mexico, New Zealand, Norway, Russian Federation, Singapore, the Republic of Korea, the Republic of South Africa, Switzerland, Turkey and the US and, by virtue of their membership of the Gulf Cooperation Council, Bahrain, Kuwait, Oman, Qatar, Saudi Arabia and the United Arab Emirates), the agent should provide with the Application Form, written confirmation that it has that status and a written assurance that it has obtained and recorded evidence of the identity of the person for whom it acts and that it will on demand make such evidence available to the Receiving Agent. If the agent is not such an organisation, it should contact the Receiving Agent at Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD.

To confirm the acceptability of any written assurance referred to in paragraph 5.1(b) above, or in any other case, the acceptor should contact Neville Registrars Limited on 0121 585 1131. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. and 5.00 p.m., Monday to Friday excluding public holidays in England and Wales.

Please note that Neville Registrars Limited cannot provide any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes.

If the Application Form(s) is/are in respect of Open Offer Shares with an aggregate subscription price of €15,000 (approximately £13,910 as at the Latest Practicable Date) or more and is/are lodged by

hand by the acceptor in person, or if the Application Form(s) in respect of Open Offer Shares is/are lodged by hand by the acceptor and the accompanying payment is not the acceptor's own cheque, he should ensure that he has with him evidence of identity bearing his photograph (for example, his passport) and separate evidence of his address.

If, within a reasonable period of time following a request for verification of identity, and in any case by no later than 11.00 a.m. on 8 April 2020, the Receiving Agent has not received evidence satisfactory to it as aforesaid, the Receiving Agent may, at its discretion, as agent of the Company, reject the relevant application, in which event the monies submitted in respect of that application will be returned without interest to the applicant (without prejudice to the rights of the Company to undertake proceedings to recover monies in respect of the loss suffered by it as a result of the failure to produce satisfactory evidence as aforesaid).

5.2 Open Offer Entitlements in CREST

If you hold your Open Offer Entitlements in CREST and apply for Open Offer Shares in respect of all or some of your Open Offer Entitlements as agent for one or more persons and you are not a UK or EU regulated person or institution (e.g. a UK financial institution), then, irrespective of the value of the application, the Receiving Agent is obliged to take reasonable measures to establish the identity of the person or persons on whose behalf you are making the application. You must therefore contact the Receiving Agent before sending any USE instruction or other instruction so that appropriate measures may be taken.

Submission of a USE instruction which on its settlement constitutes a valid application as described above constitutes a warranty and undertaking by the applicant to provide promptly to the Receiving Agent such information as may be specified by the Receiving Agent as being required for the purposes of the Money Laundering Regulations. Pending the provision of evidence satisfactory to the Receiving Agent as to identity, the Receiving Agent may in its absolute discretion take, or omit to take, such action as it may determine to prevent or delay issue of the Open Offer Shares concerned. If satisfactory evidence of identity has not been provided within a reasonable time, then the application for the Open Offer Shares represented by the USE instruction will not be valid. This is without prejudice to the right of the Company to take proceedings to recover any loss suffered by it as a result of failure to provide satisfactory evidence as to the identity of the person or persons on whose behalf the application is made.

6. Overseas Shareholders

The making of the Open Offer to persons resident in, or who are citizens of, or who have a registered address in, countries other than the UK may be affected by the law or regulatory requirements of the relevant jurisdiction. The comments set out in this paragraph 6 are intended as a general guide only and any Overseas Shareholders who are in any doubt as to their position should consult their professional advisers without delay.

6.1 General

The distribution of this document and the Application Form and the making of the Open Offer to persons who have registered addresses in, or who are resident or ordinarily resident in or located in, or citizens of, or which are corporations, partnerships or other entities created or organised under the laws of countries other than the UK or to persons who are nominees of or custodians, trustees or guardians for citizens, residents in or nationals of, countries other than the UK may be affected by the laws or regulatory requirements of the relevant jurisdictions. Those persons should consult their professional advisers as to whether they require any governmental or other consents or need to observe any applicable legal requirement or other formalities to enable them to apply for Open Offer Shares under the Open Offer.

No action has been or will be taken by the Company or Shore Capital or any other person to permit a public offering or distribution of this document (or any other offering or publicity materials or application forms) relating to the Open Offer Shares in any jurisdiction where action for that purpose may be required, other than in the UK.

Receipt of this document and/or an Application Form and/or a credit of Open Offer Entitlements to a stock account in CREST will not constitute an invitation or offer of securities for subscription, sale or purchase in those jurisdictions in which it would be illegal to make such an invitation or offer and, in those circumstances, this document and/or the Application Form must be treated as sent for information only and should not be copied or redistributed.

Due to restrictions under the securities laws of the Restricted Jurisdictions, Application Forms will not be sent to, and Open Offer Entitlements will not be credited to stock accounts in CREST of, Qualifying Shareholders with a registered address in or who are located and/or resident in or are citizens of, in each case, a Restricted Jurisdiction or their agents or intermediaries, except where the Company is satisfied, at its sole and absolute discretion, that such action and/or the making of the offer to such persons would not result in the contravention by the relevant Qualifying Shareholder, the Company, the Receiving Agent, Shore Capital or otherwise of any registration or other legal requirement in the relevant jurisdiction.

No person receiving a copy of this document and/or an Application Form and/or a credit of Open Offer Entitlements to a stock account in CREST in any territory other than the UK may treat the same as constituting an invitation or offer to him, nor should he in any event use any such Application Form and/or credit of Open Offer Entitlements to a stock account in CREST unless, in the relevant territory, such an invitation or offer could lawfully be made to him and such Application Form and/or credit of Open Offer Entitlements to a stock account in CREST could lawfully be used, and any transaction resulting from such use could be effected, without contravention by him, the Company, the Receiving Agent, Shore Capital or otherwise of any registration or other legal or regulatory requirements.

In circumstances where an invitation or offer would contravene any registration or other legal or regulatory requirements, this document and/or the Application Form must be treated as sent for information only and should not be copied or redistributed.

It is the responsibility of any person (including, without limitation, custodians, agents, nominees and trustees for any such person) outside the UK wishing to apply for Open Offer Shares under the Open Offer to satisfy himself as to the full observance of the laws of any relevant territory in connection therewith, including obtaining any governmental or other consents that may be required, observing any other formalities required to be observed in such territory and paying any issue, transfer or other taxes due in such territory.

None of the Company or Shore Capital (nor any of their respective affiliates or representatives) is making any representation to any offeree or purchaser of Open Offer Shares regarding the legality of an investment in the Open Offer Shares by such offeree or purchaser under the laws applicable to such offeree or purchaser.

Persons (including, without limitation, custodians, agents, nominees and trustees) receiving a copy of this document and/or an Application Form and/or a credit of Open Offer Entitlements to a stock account in CREST, in connection with the Open Offer or otherwise, should not distribute or send either of those documents nor transfer Open Offer Entitlements in or into any jurisdiction where to do so would or might contravene local securities laws or regulations. If a copy of this document and/or an Application Form and/or a credit of Open Offer Entitlements to a stock account in CREST is received by any person in any such territory, or by his custodian, agent, nominee or trustee, he must not seek to apply for Open Offer Shares unless the Company determines that such action would not violate applicable legal or regulatory requirements. Any person (including, without limitation, custodians, agents, nominees and trustees) who does forward a copy of this document and/or an Application Form and/or transfers Open Offer Entitlements into any such territory, whether pursuant to a contractual or legal obligation or otherwise, should draw the attention of the recipient to the contents of this Part 3 and specifically the contents of this paragraph 6.

Subject to paragraphs 6.2 to 6.8 below, any person (including, without limitation, custodians, agents, nominees and trustees for any such person) outside the UK wishing to apply for Open Offer Shares must satisfy himself as to the full observance of the applicable laws of any relevant territory, including obtaining any requisite governmental or other consents, observing any other requisite formalities and pay any issue, transfer or other taxes due in such territories.

The Company reserves the right to treat as invalid any application or purported application for Open Offer Shares that appears to the Company or its agents to have been executed, effected or dispatched by a Qualifying Shareholder with a registered address in or who is located and/or resident in or is a citizen of, in each case, a Restricted Jurisdiction or on behalf of such a person by their agent or intermediary or in a manner that may involve a breach of the laws or regulations of any jurisdiction or if the Company or its agents believe that the same may violate applicable legal or regulatory requirements or if it provides an address for delivery of the share certificates of Open Offer Shares or, in the case of a credit of Open Offer Entitlements to a stock account in CREST, to a CREST Member whose registered address would be, in a Restricted Jurisdiction or any other jurisdiction outside the UK in which it would be unlawful to deliver such share certificates or make such a credit.

The attention of Overseas Shareholders is drawn to this paragraph 6, particularly paragraphs 6.2 to 6.8, and paragraph 7 below.

Notwithstanding any other provision of this document or the Application Form, the Company reserves the right to permit any Qualifying Shareholder with a registered address in or who is located and/or resident in or is a citizen of, in each case, a Restricted Jurisdiction to apply for Open Offer Shares if the Company, in its sole and absolute discretion, is satisfied that the transaction in question is exempt from, or not subject to, the legislation or regulations giving rise to the restrictions in question.

Overseas Shareholders who wish, and are permitted, to apply for Open Offer Shares should note that payment must be made in sterling denominated cheques or bankers' drafts or where such an Overseas Shareholder is a Qualifying CREST Shareholder, through CREST.

Due to restrictions under the securities laws of the Restricted Jurisdictions and subject to certain exceptions, Qualifying Shareholders with a registered address in or who are located and/or resident in or are citizens of, in each case, a Restricted Jurisdiction will not be sent an Application Form nor will their stock accounts in CREST be credited with Open Offer Entitlements. Please see paragraph 7 below.

The Open Offer Shares have not been and will not be registered under the relevant laws of any Restricted Jurisdiction or any state, province or territory thereof and may not be offered, sold, resold, transferred, delivered or distributed, directly or indirectly, in or into any Restricted Jurisdiction or to, or for the account or benefit of, any person with a registered address in, or who is resident or ordinarily resident in, or a citizen of, any Restricted Jurisdiction except pursuant to an applicable exemption.

No public offer of Open Offer Shares is being made by virtue of this document or the Application Forms into any Restricted Jurisdiction subject to certain exceptions. Receipt of this document and/or an Application Form and/or a credit of a Open Offer Entitlement to a stock account in CREST will not constitute an invitation or offer of securities for subscription, sale or purchase in those jurisdictions in which it would be illegal to make such an invitation or offer and, in those circumstances, this document and/or the Application Form must be treated as sent for information only and should not be copied or redistributed subject to certain exceptions.

6.2 **United States**

The Open Offer Shares have not been, and will not be, registered under the US Securities Act, or under the securities laws or with any securities regulatory authority of any state or other jurisdiction of the United States and accordingly the Open Offer Shares may not be offered, sold, pledged or transferred, directly or indirectly, in, into or within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and the securities laws of any relevant state or other jurisdiction of the United States. There is no intention to register any portion of the Placing in the United States or to conduct a public offering of securities in the United States or elsewhere.

This document is intended for use only in connection with offers of Open Offer Shares outside the United States and neither this document nor any Application Form is to be sent or given to any person within the United States subject to certain exemptions. The Open Offer Shares offered hereby are not being registered under the US Securities Act, for the purposes of sales outside of the United States.

This document may not be transmitted in or into the United States and may not be used to make offers or sales to US holders of Existing Ordinary Shares subject to certain exemptions.

The Open Offer will be made to Shareholders outside the EEA by means of a notice in the London Gazette, details of which are provided in paragraph 7 of this Part 3. The Open Offer Shares will be distributed, offered or sold, as the case may be, outside the United States in offshore transactions within the meaning of, and in accordance with, Regulation S under the US Securities Act.

Each person to which the Open Offer Shares are distributed, offered or sold outside the United States will be deemed by its subscription for the Open Offer Shares to have represented to and agreed with the Company and Shore Capital, on its behalf and on behalf of any investor accounts for which it is subscribing the Open Offer Shares, as the case may be, that:

- (i) it is acquiring the Open Offer Shares from the Company in an “offshore transaction” as defined in Regulation S under the US Securities Act; and
- (ii) the Open Offer Shares have not been offered to it by the Company or Shore Capital or any of their affiliates (as defined in Rule 501(b) of the US Securities Act) by means of any “directed selling efforts” as defined in Regulation S under the US Securities Act.

Each subscriber acknowledges that the Company will rely upon the truth and accuracy of the foregoing representations and agreements, and agrees that if any of the representations and agreements deemed to have been made by such subscriber by its subscription for the Open Offer Shares is no longer accurate, it shall promptly notify the Company. If such subscriber is subscribing for the Open Offer Shares as a fiduciary or agent for one or more investor accounts, each subscriber represents that it has sole investment discretion with respect to each such account and full power to make the foregoing representations and agreements on behalf of each such account.

Each subscriber acknowledges that it will not resell the Open Offer Shares without registration or an available exemption or safe harbour from registration under the US Securities Act.

6.3 **Canada**

This document is not, and is not to be construed as, a prospectus, an advertisement or a public offering of these securities in Canada subject to certain exemptions. No securities commission or similar regulatory authority in Canada has reviewed or in any way passed upon this document or the merits of the Open Offer Shares, and any representation to the contrary is an offence.

In addition, the relevant exemptions have not been obtained from the appropriate provincial authorities in Canada. Accordingly, the Open Offer Shares are not being offered for subscription by persons resident in Canada or any territory or possessions thereof subject to certain exemptions. Applications from any Canadian Person who appears to be or whom the Company has reason to believe to be so resident or the agent of any person so resident will be deemed to be invalid subject to certain exemptions. Subject to certain exceptions, neither this document nor an Application Form will be sent to and no Open Offer Entitlements will be credited to a stock account in CREST of any Shareholder in the Company whose registered address is in Canada. If any Application Form is received by any Shareholder in the Company whose registered address is elsewhere but who is, in fact, a Canadian Person or the agent of a Canadian Person so resident, subject to certain exceptions, he should not apply under the Open Offer.

For the purposes of this paragraph 6.3, “Canadian Person” means a citizen or resident of Canada, including the estate of any such person or any corporation, partnership or other entity created or organised under the laws of Canada or any political sub-division thereof.

6.4 **Australia**

Neither this document nor the Application Form has been lodged with, or registered by, the Australian Securities and Investments Commission. A person may not: (i) directly or indirectly offer for subscription or purchase or issue an invitation to subscribe for or buy or sell, the Open Offer Shares; or (ii) distribute any draft or definitive document in relation to any such offer, invitation or sale, in Australia or to any resident of Australia (including corporations and other entities organised under the laws of Australia but not including a permanent establishment of such a corporation or entity located outside Australia). Accordingly, neither this document nor any Application Form will be issued to, and no Open Offer

Entitlements will be credited to a CREST stock account of, Shareholders in the Company with registered addresses in, or to residents of, Australia.

6.5 ***Other Restricted Jurisdictions***

The Open Offer Shares have not been and will not be registered under the relevant laws of any Restricted Jurisdiction or any state, province or territory thereof and may not be offered, sold, resold, delivered or distributed, directly or indirectly, in or into any Restricted Jurisdiction or to, or for the account or benefit of, any person with a registered address in or who is located and/or resident in or is a citizen of, in each case, a Restricted Jurisdiction except pursuant to an applicable exemption.

No offer of Open Offer Shares is being made by virtue of this document or the Application Form into any Restricted Jurisdiction except pursuant to an applicable exemption.

6.6 ***Other overseas territories***

The Open Offer will be made to Shareholders outside the EEA by means of a notice in the London Gazette, details of which are provided in paragraph 7 of this Part 3. Qualifying Shareholders who have registered addresses in, or who are resident or ordinarily resident in or located in, or citizens of, countries other than the UK should consult appropriate professional advisers as to whether they require any governmental or other consents or need to observe any further formalities to enable them to apply for any Open Offer Shares.

Save as described in this document, Application Forms will be posted to Qualifying Non-CREST Shareholders and Open Offer Entitlements will be credited to the CREST stock accounts of Qualifying CREST Shareholders. Save as described in this document, no offer of or invitation to acquire New Ordinary Shares is being made by virtue of this document or the Application Form into any Restricted Jurisdictions. Overseas Shareholders in jurisdictions other than the Restricted Jurisdictions may, subject to the laws of their relevant jurisdiction, accept their entitlements under the Open Offer in accordance with the instructions set out in this document and, in the case of Qualifying Non-CREST Shareholders only, the Application Form.

Shareholders who have with a registered address in or who are located and/or resident in or are citizens of, in each case, a Restricted Jurisdiction should consult their appropriate professional advisers as to whether they require any governmental or other consents or need to observe any other formalities to enable them to take up their Open Offer Entitlements. If you are in any doubt as to your eligibility (and/or whether you may need to observe any formalities to enable you to take up your Open Offer Entitlement) to accept the offer of New Ordinary Shares, you should contact your appropriate professional adviser immediately.

6.7 ***Representations and warranties relating particularly to Overseas Shareholders***

(a) Qualifying Non-CREST Shareholders

Any person completing and returning an Application Form or requesting registration of the Open Offer Shares comprised therein represents and warrants to the Company and the Receiving Agent that, except where proof has been provided to the Company's satisfaction that the making of the offer to him and such person's acceptance thereof and such person's use of the Application Form will not result in the contravention by him, the Company, the Receiving Agent, Shore Capital or otherwise of any applicable legal requirements in any jurisdiction: (i) such person is not requesting registration of the relevant Open Offer Shares from within any Restricted Jurisdiction; (ii) such person is not in any territory in which it is unlawful to make or accept an offer to acquire Open Offer Shares or to use the Application Form in any manner in which such person has used or will use it; (iii) such person is not acting on a non-discretionary basis for a person located within any Restricted Jurisdiction (except as agreed with the Company) or any territory referred to in (ii) above at the time the instruction to accept was given; and (iv) such person is not acquiring Open Offer Shares with a view to the offer, sale, resale, transfer, delivery or distribution, directly or indirectly, of any such Open Offer Shares into any of the above territories. The Company and/or the Receiving Agent may treat as invalid any acceptance or purported acceptance of the allotment of Open Offer Shares comprised in an Application Form if it:

- (i) appears to the Company or its agents to have been executed, effected or dispatched from a Restricted Jurisdiction or in a manner that may involve a breach of the laws or regulations

of any jurisdiction or if the Company or its agents believe that the same may violate applicable legal or regulatory requirements; or

- (ii) provides an address in a Restricted Jurisdiction for delivery of the share certificates of Open Offer Shares (or any other jurisdiction outside the UK in which it would be unlawful to deliver such share certificates); or
- (iii) purports to exclude the representation and warranty required by this sub-paragraph 6.7(a).

(b) *Qualifying CREST Shareholders*

A CREST Member or CREST Sponsored Member who makes a valid acceptance in accordance with the procedures set out in this Part 3 represents and warrants to the Company that, except where proof has been provided to the Company's satisfaction that the making of the offer to him and such person's acceptance will not result in the contravention by him, the Company, the Receiving Agent, Shore Capital or otherwise of any applicable legal requirement in any jurisdiction:

- (i) neither it nor its client is within any Restricted Jurisdiction; (ii) neither it nor its client is in any territory in which it is unlawful to make or accept an offer to acquire Open Offer Shares; (iii) it is not accepting on a non-discretionary basis for a person located within any Restricted Jurisdiction or any territory referred to in (ii) above at the time the instruction to accept was given; and (iv) neither it nor its client is acquiring any Open Offer Shares with a view to the offer, sale, resale, transfer, delivery or distribution, directly or indirectly, of any such Open Offer Shares into any of the above territories.

6.8 **Waiver**

The provisions of this paragraph 6 and paragraph 7 and of any other terms of the Open Offer including those relating to Overseas Shareholders may be waived, varied or modified as regards specific Shareholders or on a general basis by the Company, in its absolute discretion. Subject to this, the provisions of paragraphs 6 and 7 supersede any terms of the Open Offer inconsistent herewith. References in paragraphs 6 and 7 to Shareholders shall include references to the person or persons executing an Application Form and, in the event of more than one person executing an Application Form, the provisions of paragraphs 6 and 7 shall apply to them jointly and to each of them.

7. **Notice in the London Gazette**

In accordance with section 562(3) of the Companies Act, the offer to Shareholders who have no registered address in an EEA State and who have not given to the Company an address in an EEA State for the service of notices, will (subject to the conditions of the Open Offer) be made by the Company causing a notice to be published in the London Gazette on 23 March 2020 stating where copies of this document and the Application Form may be obtained or inspected on personal application by or on behalf of such Qualifying Shareholders. Any person with a registered address, or who is resident or located, in the United States or any of the Restricted Jurisdictions or any other jurisdictions where the extension and availability of the Open Offer would breach any applicable law who obtains a copy of this document or an Application Form is required to disregard them, except with the consent of the Company.

However, in order to facilitate acceptance of the offer made to such Qualifying Shareholders by virtue of such publication, Application Forms will also be posted to Overseas Shareholders who are Qualifying Non-CREST Shareholders with certain exceptions. Such Shareholders, if it is lawful to do so, may accept the offer either by returning the Application Form posted to them or subject to surrendering the original Application Form sent to them by obtaining a copy thereof from the place stated in the notice and returning it in accordance with the instructions set out therein. Similarly, Open Offer Entitlements are expected to be credited to stock accounts in CREST of Qualifying CREST Shareholders who are Overseas Shareholders (within certain exceptions).

Qualifying Shareholders may be able to participate in the Open Offer if they satisfy themselves that, and in the case of a Qualifying Shareholder with a registered address in or who is located and/or resident in or is a citizen of, in each case, a Restricted Jurisdiction or any other jurisdictions where the extension and availability of the Open Offer would breach any applicable law, and they are able to prove to the Company or its agents that, the making, receipt, or acceptance, of the Open Offer in such jurisdiction will not breach local securities laws. If a Qualifying Shareholder with a registered address in, or located or resident in, the United States or any other Restricted Jurisdiction can prove this to the satisfaction of the Company and its

agents, then the Company at its absolute discretion may arrange for him to be sent an Application Form whether he is a Qualifying Non-CREST Shareholder or Qualifying CREST Shareholder.

8. No withdrawal rights

An application under the Open Offer once made is irrevocable and cannot be withdrawn or changed.

9. Admission, settlement and dealings

The result of the Open Offer is expected to be announced on 8 April 2020. Application will be made to AIM for admission to trading of the Open Offer Shares. It is expected that, subject to the Open Offer becoming unconditional in all respects (save for Admission), Admission will become effective and that dealings in the Open Offer Shares, fully paid, will commence at 8.00 a.m. on 9 April 2020.

The Existing Ordinary Shares are already admitted to CREST. No further application for admission to CREST is accordingly required for the New Ordinary Shares. All such New Ordinary Shares, when issued and fully paid, may be held and transferred by means of CREST.

Open Offer Entitlements held in CREST are expected to be disabled in all respects after 11.00 a.m. on 8 April 2020 (being the latest practicable date for applications under the Open Offer). If the conditions to the Open Offer described above are satisfied, the Open Offer Shares will be issued in uncertificated form to those persons who submitted a valid application for the Open Offer Shares by utilising the CREST application procedures and whose applications have been accepted by the Company. On or around 9 April 2020, the Receiving Agent will instruct Euroclear to credit the appropriate stock accounts of such persons with such persons' entitlements to Open Offer Shares with effect from Admission (expected to be on 9 April 2020). The stock accounts to be credited will be accounts under the same CREST participant IDs and CREST Member account IDs in respect of which the USE instruction was given.

Notwithstanding any other provision of this document, the Company reserves the right to send Qualifying CREST Shareholders an Application Form instead of crediting the relevant stock account with Open Offer Entitlements, and to allot and/or issue any Open Offer Shares in certificated form. In normal circumstances, this right is only likely to be exercised in the event of an interruption, failure or breakdown of CREST (or of any part of CREST) or on the part of the facilities and/or systems operated by the Registrars in connection with CREST.

For Qualifying Non-CREST Shareholders who have applied by using an Application Form, share certificates in respect of the Open Offer Shares validly applied for are expected to be despatched by post by no later than 22 April 2020. No temporary documents of title will be issued and, pending the issue of definitive certificates transfers will be certified against the register of members of the Company. All documents or remittances sent by or to applicants, or as they may direct, will be sent through the post at their own risk. For more information as to the procedure for application, Qualifying Non-CREST Shareholders are referred to paragraph 4.1 of this Part 3, and the Application Form.

The result of the Open Offer will be announced and made public through an announcement on a Regulatory Information Service as soon as reasonably practicable after the results are known.

10. Times and dates

The Company shall, in its discretion, and after consultation with its financial and legal advisers, be entitled to amend the dates on which Application Forms are despatched or amend or extend the latest date for acceptance under the Open Offer and all related dates set out in this document and in such circumstances shall make an announcement on a Regulatory Information Service.

11. Governing law and jurisdiction

The terms and conditions of the Open Offer as set out in this document, the Application Form and any non-contractual obligation related thereto shall be governed by, and construed in accordance with, the laws of England. The courts of England are to have exclusive jurisdiction to settle any dispute which may arise out of or in connection with the Open Offer, this document or the Application Form including, without limitation,

disputes relating to any non-contractual obligations arising out of or in connection with the Open Offer, this document or the Application Form. By taking up Open Offer Shares under the Open Offer in accordance with the instructions set out in this document and, where applicable, the Application Form, Qualifying Shareholders irrevocably submit to the jurisdiction of the courts of England and waive any objection to proceedings in any such court on the ground of venue or on the ground that proceedings have been brought in an inconvenient forum.

12. Further Information

Your attention is drawn to the further information set out in this document and also to the terms, conditions and other information printed on any Application Form.

PART 4

QUESTIONS AND ANSWERS ABOUT THE OPEN OFFER

The questions and answers set out in this Part 4 are intended to be in general terms only and, as such, you should read Part 3 of this document for full details of what action to take. If you are in any doubt as to the action you should take, you are recommended to seek your own personal financial advice immediately from your stockbroker, bank manager, solicitor, accountant or other appropriate independent financial adviser, who is authorised under FSMA if you are in the United Kingdom, or, if not, from another appropriately authorised independent financial adviser.

This Part 4 deals with general questions relating to the Open Offer and more specific questions relating principally to persons resident in the United Kingdom who hold their Existing Ordinary Shares in certificated form only. If you are an Overseas Shareholder, you should read paragraphs 6 and 7 of Part 3 of this document and you should take professional advice as to whether you are eligible and/or you need to observe any formalities to enable you to take up your Open Offer Entitlement. If you hold your Existing Ordinary Shares in uncertificated form (that is, through CREST) you should read paragraph 4 of Part 3 of this document for full details of what action you should take.

If you are a CREST Sponsored Member, you should also consult your CREST Sponsor. If you do not know whether your Existing Ordinary Shares are in certificated or uncertificated form, please contact Neville Registrars Limited on 0121 585 1131. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. and 5.00 p.m., Monday to Friday, excluding public holidays in England and Wales. The helpline cannot provide advice on the merits of the Open Offer nor give any financial, legal or tax advice, and calls may be recorded and monitored for security and training purposes.

The contents of this document should not be construed as legal, business, accounting, tax, investment or other professional advice. Each prospective investor should consult his, her or its own appropriate professional advisers for advice. This document is for your information only and nothing in this document is intended to endorse or recommend a particular course of action.

1. What is an open offer?

An open offer is a way for companies to raise money. Companies usually do this by giving their existing shareholders a right to acquire further shares at a fixed price in proportion to their existing shareholdings. In this instance Shareholders will **not** be offered the opportunity to apply for additional New Ordinary Shares in excess of their Open Offer Entitlement to the extent that other Qualifying Shareholders do not take up their entitlement in full. In an open offer the fixed price is normally at a discount to the market price of the existing ordinary shares prior to the announcement of the open offer.

This Open Offer is an invitation by the Company to Qualifying Shareholders to apply to acquire up to an aggregate of 50,623,576 Open Offer Shares at a price of 12 pence per share. If you hold Existing Ordinary Shares on the Record Date or have a *bona fide* market claim, other than, subject to certain exceptions, where you are a Shareholder with a registered address in or who is located and/or resident in or is a citizen of, in each case, a Restricted Jurisdiction, you will be entitled to apply for Open Offer Shares under the Open Offer.

The Open Offer is being made on the basis of 2 Open Offer Shares for every 3 Existing Ordinary Shares held by Qualifying Shareholders on the Record Date. If your entitlement to Open Offer Shares is not a whole number, you will not be entitled to buy a fraction of an Open Offer Share and your entitlement will be rounded down to the nearest whole number. The Issue Price of 12 pence per Open Offer Share represents a premium of 20 per cent. to the Closing Price of 10 pence per Ordinary Share on 20 March 2020 (being the last Business Day prior to the announcement of the Fundraising).

Unlike in a rights issue, Application Forms are not negotiable documents and neither they, nor Open Offer Entitlements, can themselves be traded. The Open Offer will be made to Shareholders outside

the EEA by means of a notice in the London Gazette, details of which are provided in paragraph 7 of Part 3 of this document.

2. I hold my Existing Ordinary Shares in certificated form. How do I know I am eligible to participate in the Open Offer?

If you receive an Application Form and, subject to certain exceptions, are not a holder with a registered address in or who is located and/or resident in or is a citizen of, in each case, a Restricted Jurisdiction or any territory in which it is unlawful to make or accept an offer to acquire Open Offer Shares and/or you need to observe any formalities to enable you to take up your Open Offer Entitlement, then you should be eligible to participate in the Open Offer as long as you have not sold all of your Existing Ordinary Shares before 8.00 a.m. on 23 March 2020 (the time when the Existing Ordinary Shares are expected to be marked “ex-entitlement” by the London Stock Exchange).

3. I hold my Existing Ordinary Shares in certificated form. How do I know how many Open Offer Shares I am entitled to take up?

If you hold your Existing Ordinary Shares in certificated form and, subject to certain exceptions, do not have a registered address in or are located and/or resident in or a citizen of, in each case, a Restricted Jurisdiction or any territory in which it is unlawful to make or accept an offer to acquire Open Offer Shares, you will be sent an Application Form that shows:

- how many Existing Ordinary Shares you held at the close of business on the Record Date;
- how many Open Offer Shares are comprised in your Open Offer Entitlement; and
- how much you need to pay if you want to take up your right to buy all your entitlement to the Open Offer Shares.

Subject to certain exceptions, if you have a registered address in or are located and/or resident in or a citizen of, in each case, a Restricted Jurisdiction, you will not receive an Application Form.

If you would like to apply for any of, or all of, the Open Offer Shares comprised in your Open Offer Entitlement you should complete the Application Form in accordance with the instructions printed on it and the information provided in this document. Completed Application Forms should be returned, along with a cheque drawn in the appropriate form, by post to Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD, or by hand (during normal office hours only) so as to be received by them by no later than 11.00 a.m. on 8 April 2020, after which time Application Forms will not be valid.

4. I hold my Existing Ordinary Shares in certificated form and am eligible to receive an Application Form. What are my choices in relation to the Open Offer?

(a) *If you do not want to take up your Open Offer Entitlement*

If you do not want to take up the Open Offer Shares to which you are entitled, you do not need to do anything. In these circumstances, you will not receive any Open Offer Shares. You will also not receive any money if the Open Offer Shares you could have taken up are sold, as would happen under a rights issue.

You cannot sell your Application Form or your Open Offer Entitlement to anyone else. If you do not return your Application Form applying for the Open Offer Shares to which you are entitled by 11.00 a.m. on 8 April 2020, then following the issue of the Open Offer Shares pursuant to the Open Offer, your interest in the Company will be diluted.

(b) *If you want to take up some but not all of your Open Offer Entitlement*

If you want to take up some, but not all of the Open Offer Shares to which you are entitled, you should write the number of Open Offer Shares you want to take up in Box 6 of your Application Form; for example, if you are entitled to take up 51 shares but you only want to take up 25 shares, then you should write ‘25’ in Box 6. To work out how much you need to pay for the Open Offer Shares, you need to multiply the number of Open Offer Shares you want (in this example, ‘25’)

by £0.12, which is the price in pounds of each Open Offer Share (giving you an amount of £3.00 in this example). You should write this amount in Box 7, rounding up to the nearest whole penny and this should be the amount your cheque is made out for. You should then return the completed Application Form, together with a cheque for that amount, by post or by hand (during normal office hours only) to Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD so as to be received by them by no later than 11.00 a.m. on 8 April 2020 after which time Application Forms will not be valid. If you post your Application Form by first class post, you should allow at least four Business Days for delivery.

All payments must be in pounds sterling and made by cheque made payable to “Neville Registrars Limited Re: clients account”. Cheques or banker’s drafts must be drawn on a bank or building society or branch of a bank or building society in the United Kingdom or Channel Islands or the Isle of Man which is either a settlement member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which has arranged for its cheques and banker’s drafts to be cleared through the facilities provided by any of those companies or committees and must bear the appropriate sort code in the top right-hand corner and must be for the full amount payable on application. Third party cheques will not be accepted with the exception of building society cheques or banker’s drafts where the building society or bank has confirmed the name of the account holder and the number of an account held in the applicant’s name at the building society or bank by stamping or endorsing the cheque or draft to such effect. The account name should be the same as that shown on the application. Post-dated cheques will not be accepted. Third party cheques (other than building society cheques or banker’s drafts where the building society or bank has confirmed that the relevant Qualifying Shareholder has title to the underlying funds) will not be accepted (see paragraph 4 of Part 3 of this document).

Cheques will be presented for payment upon receipt. The Company reserves the right to instruct the Receiving Agent to seek special clearance of cheques and banker’s drafts to allow the Company to obtain value for remittances at the earliest opportunity. No interest will be paid on payments made before they are due. It is a term of the Open Offer that cheques shall be honoured on first presentation and the Company may elect to treat as invalid acceptances in respect of which cheques are not so honoured. All documents, cheques and banker’s drafts sent through the post will be sent at the risk of the sender. Payments via CHAPS, BACS or electronic transfer will not be accepted.

A definitive share certificate will then be sent to you for the Open Offer Shares that you take up. Your definitive share certificate for Open Offer Shares is expected to be despatched to you by no later than 22 April 2020.

(c) ***If you want to take up all of your Open Offer Entitlement***

If you want to take up all of the Open Offer Shares to which you are entitled, all you need to do is send the Application Form (ensuring that all joint holders sign (if applicable)), together with your cheque for the amount (as indicated in Box 5 of your Application Form), by post to Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD or by hand (during normal office hours only) to Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD, so as to be received by them by no later than 11.00 a.m. on 8 April 2020, after which time Application Forms will not be valid. If you post your Application Form by first-class post, you should allow at least four Business Days for delivery.

All payments must be in pounds sterling and made by cheque made payable to “Neville Registrars Limited Re: clients account”. Cheques must be drawn on a bank or building society or branch of a bank or building society in the United Kingdom or Channel Islands or Isle of Man which is either a settlement member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which has arranged for its cheques to be cleared through the facilities provided by any of those companies or committees and must bear the appropriate sort code in the top right-hand corner. Third party cheques will not be accepted with the exception of building society cheques or banker’s drafts where the building society or bank has confirmed the name of the account holder and the number of an account held in the applicant’s name at the building society or bank by stamping or endorsing the cheque or draft to such effect. The account name should be the same as that shown on the application.

Post-dated cheques will not be accepted. Third party cheques (other than building society cheques or banker's drafts where the building society or bank has confirmed that the relevant Qualifying Shareholder has title to the underlying funds) will not be accepted.

Subject to Admission of the Open Offer Shares, a definitive share certificate will then be sent to you for the Open Offer Shares that you take up. Your definitive share certificate for Open Offer Shares is expected to be despatched to you by no later than 22 April 2020.

(d) ***If you want to apply for more than your Open Offer Entitlement***

Shareholders will **not** be offered the opportunity to apply for additional New Ordinary Shares in excess of their Open Offer Entitlement to the extent that other Qualifying Shareholders do not take up their entitlement in full.

5. I hold my Existing Ordinary Shares in uncertificated form in CREST. What do I need to do in relation to the Open Offer?

CREST Members should follow the instructions set out in Part 3 of this document. Persons who hold Existing Ordinary Shares through a CREST Member should be informed by the CREST Member through which they hold their Existing Ordinary Shares of the number of Open Offer Shares which they are entitled to acquire under their Open Offer Entitlement and should contact them should they not receive this information.

6. I acquired my Existing Ordinary Shares prior to the Record Date and hold my Existing Ordinary Shares in certificated form. What do I do if I do not receive an Application Form or I have lost my Application Form?

If you do not receive an Application Form, this probably means that you may not be eligible to participate in the Open Offer and/or you may need to observe any formalities to enable you to take up your Open Offer Entitlement. Some Qualifying Shareholders, however, will not receive an Application Form but may still be eligible to participate in the Open Offer:

- Qualifying CREST Shareholders who held their Existing Ordinary Shares in uncertificated form at 6.00 p.m. on 19 March 2020 and who have converted them to certificated form;
- Qualifying Non-CREST Shareholders who bought Existing Ordinary Shares before 6.00 p.m. on 19 March 2020 but were not registered as the holders of those shares at the close of business at 6.00 p.m. on 19 March 2020; and
- certain Overseas Shareholders.

If you do not receive an Application Form but think that you should have received one or you have lost your Application Form, please contact Neville Registrars Limited on 0121 585 1131. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. and 5.00 p.m., Monday to Friday, excluding public holidays in England and Wales. The helpline cannot provide advice on the merits of the Open Offer nor give any financial, legal or tax advice, and calls may be recorded and monitored for security and training purposes.

7. Can I trade my Open Offer Entitlement?

Qualifying Shareholders should be aware that the Open Offer is not a rights issue. As such, Qualifying Non-CREST Shareholders should also note that their Application Forms are not negotiable documents and cannot be traded. Qualifying CREST Shareholders should note that, although Open Offer Entitlements will be admitted to CREST they will have limited settlement capabilities (for the purposes of market claims only). Open Offer Entitlements will not be tradable or listed and applications in respect of the Open Offer may only be made by the Qualifying Shareholders originally entitled or by a person entitled by virtue of a *bona fide* market claim. Open Offer Shares for which an application has not been made under the Open Offer will not be sold in the market for the benefit of those who do not apply under the Open Offer and Qualifying Shareholders who do not apply to take up their Open Offer Entitlement will have no rights under the Open Offer or receive any proceeds from it.

8. What if I change my mind?

If you are a Qualifying Non-CREST Shareholder, once you have sent your Application Form and payment to the Receiving Agent, you cannot withdraw your application or change the number of Open Offer Shares for which you have applied, except in the very limited circumstances which are set out in this document.

9. What if the number of Open Offer Shares to which I am entitled is not a whole number: am I entitled to fractions of Open Offer Shares?

If the number is not a whole number, you will not receive a fraction of an Open Offer Share and your entitlement will be rounded down to the nearest whole number.

10. I hold my Existing Ordinary Shares in certificated form. What should I do if I have sold some or all of my Existing Ordinary Shares?

If you hold Existing Ordinary Shares directly and you sold some or all of your Existing Ordinary Shares before 19 March 2020, you should contact the buyer or the person/company through whom you sell your shares. The buyer may be entitled to apply for Open Offer Shares under the Open Offer. If you sold any of your Existing Ordinary Shares on or after 19 March 2020 but before 23 March 2020, you may still take up and apply for the Open Offer Shares as set out on your Application Form.

11. I hold my Existing Ordinary Shares in certificated form. How do I pay?

Completed Application Forms should be returned with a cheque drawn in the appropriate form. All payments must be in pounds sterling and made by cheque made payable to "Neville Registrars Limited Re: clients account". Cheques or banker's drafts must be drawn on a bank or building society or branch of a bank or building society in the United Kingdom or Channel Islands or Isle of Man which is either a settlement member of the Cheque and Credit Clearing Company Limited or the CHAPS Clearing Company Limited or which has arranged for its cheques and banker's drafts to be cleared through the facilities provided by any of those companies or committees and must bear the appropriate sort code in the top right-hand corner. Third party cheques will not be accepted, with the exception of building society cheques or banker's drafts where the building society or bank has confirmed the name of the account holder and the number of an account held in the applicant's name at the building society or bank by stamping or endorsing the cheque or draft to such effect.

The account name should be the same as that shown on the application. Post-dated cheques will not be accepted. Third party cheques (other than building society cheques or banker's drafts where the building society or bank has confirmed that the relevant Qualifying Shareholder has title to the underlying funds) will not be accepted.

12. Will the Existing Ordinary Shares that I hold now be affected by the Open Offer?

If you decide not to apply for any of the Open Offer Shares to which you are entitled under the Open Offer, or only apply for some of your entitlement, your proportionate ownership and voting interest in the Company will be reduced.

13. I hold my Existing Ordinary Shares in certificated form. Where do I send my Application Form?

You should send your completed Application Form, together with the monies in the appropriate form, by post to Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD or by hand (during normal office hours only) to Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD. If you post your Application Form by first-class post, you should allow at least four Business Days for delivery. If you do not want to take up or apply for Open Offer Shares then you need take no further action.

14. I hold my Existing Ordinary Shares in certificated form. When do I have to decide if I want to apply for Open Offer Shares?

The Receiving Agent must receive the Application Form by no later than 11.00 a.m. on 8 April 2020, after which time Application Forms will not be valid. If an Application Form is being sent by first class post in the UK, Qualifying Shareholders are recommended to allow at least four Business Days for delivery.

15. How do I transfer my entitlements into the CREST system?

If you are a Qualifying Non-CREST Shareholder, but are a CREST Member and want your Open Offer Shares to be in uncertificated form, you should complete the CREST deposit form (contained in the Application Form), and ensure it is delivered to the CREST Courier and Sorting Service in accordance with the instructions in the Application Form. CREST Sponsored Members should arrange for their CREST Sponsors to do this.

16. I hold my Existing Ordinary Shares in certificated form. When will I receive my new share certificate?

It is expected that the Receiving Agent will post all new share certificates by 22 April 2020.

17. If I buy Existing Ordinary Shares after the Record Date, will I be eligible to participate in the Open Offer?

If you bought your Existing Ordinary Shares after the Record Date, you are unlikely to be able to participate in the Open Offer in respect of such Ordinary Shares.

18. Will I be taxed if I take up my entitlements?

Shareholders who are in any doubt as to their tax position should consult an appropriate professional adviser immediately.

19. What should I do if I live outside the United Kingdom?

Your ability to apply to acquire Open Offer Shares may be affected by the laws of the country in which you live and you should take professional advice as to whether you require any governmental or other consents or need to observe any other formalities to enable you to take up your Open Offer Entitlement. Shareholders with registered addresses or who are located in or residents of the United States or any other Restricted Jurisdiction may subject to certain exceptions, not be eligible to participate in the Open Offer and/or may need to observe certain formalities to enable you to take up your Open Offer Entitlement. Your attention is drawn to the information in paragraphs 6 and 7 of Part 3 of this document.

20. Further assistance

Should you require further assistance, please contact Neville Registrars Limited on 0121 585 1131. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. and 5.00 p.m., Monday to Friday, excluding public holidays in England and Wales.

The helpline cannot provide advice on the merits of the Open Offer nor give any financial, legal or tax advice, and calls may be recorded and monitored for security and training purposes.
