EXPLANATORY NOTES TO THE RESOLUTIONS TO BE PROPOSED AT THE ANNUAL GENERAL MEETING

The resolutions to be proposed at the AGM of the Company to be held on 11.00 a.m. on 21 June 2022 are set out in the notice of AGM. The following notes provide an explanation to the resolutions being put to shareholders.

Ordinary business

Resolutions 1 to 6 are proposed as ordinary resolutions. These resolutions will be passed if more than 50 per cent. of the votes are cast in favour of them.

Resolution 1 – Laying of accounts

The directors are required to present to shareholders at the AGM the reports of the directors and auditors and the audited accounts of the Company for the year ended 31 December 2021.

Resolution 2 – Remuneration report

Shareholders are requested to approve the directors' remuneration report. The directors' remuneration report is set out in the Company's annual report and accounts for the year ended 31 December 2021. The vote is advisory and the directors' entitlement to remuneration is not conditional on the passing of the resolution.

Resolutions 3 and 4 – Re-election of directors

The Company's articles of association require one-third of the directors to retire from office each year. John Conoley is accordingly retiring and seeks re-appointment at the AGM.

In addition, given the length of Graham Whitworth's tenure as a director of the Company, the Board considers that it would be good practice from a corporate governance perspective for Graham Whitworth to be re-elected on an annual basis and, accordingly, Graham Whitworth will retire from office and also seek re-appointment at the AGM.

Biographical information for each of the directors standing for re-appointment is included in the Company's annual report and accounts.

Resolution 5 – Re-appointment of auditors and authorising and fixing the remuneration of the auditors

The Companies Act 2006 requires that auditors be appointed at each general meeting at which accounts are laid to hold office until the next such meeting. The appointment of RSM UK Audit LLP as auditors of the Company terminates at the conclusion of the AGM. They have indicated their willingness to stand for reappointment as auditors of the Company until the conclusion of the annual general meeting in 2023. The Company's Audit Committee keeps under review the independence and objectivity of the external auditors and further information can be found in the annual report and accounts. After considering the relevant information, the Audit Committee has recommended to the Board that RSM UK Audit LLP be re-appointed as auditors.

It is normal practice for shareholders to resolve at the annual general meeting that the directors decide on the level of remuneration of the auditors for the audit work to be carried out by them in the next financial year.

Special business

Resolution 6 is proposed as an ordinary resolution and will be passed if more than 50 per cent. of the votes are cast in favour of it. Resolutions 7, 8 and 9 are proposed as special resolutions and will be passed if not less than 75 per cent. of the votes are cast in favour of them.

Resolution 6 – Authority to allot shares

The directors may only allot shares or grant rights over shares if authorised to do so by shareholders. The authority granted at the last annual general meeting to allot shares or grant rights to subscribe for, or convert any security into, shares is due to expire at the conclusion of this year's AGM.

The Investment Association (IA) guidelines on authority to allot shares state that IA members will permit, and treat as routine, resolutions seeking authority to allot shares representing up to one-third of a company's issued share capital. In addition, they will treat as routine a request for authority to allot shares representing an additional one-third of the company's issued share capital provided that it is only used to allot shares for the purpose of a fully pre-emptive rights issue.

Accordingly, resolution 6, if passed, would authorise the directors under section 551 of the Companies Act 2006 to allot new shares or grant rights to subscribe for, or convert any security into, new shares (subject to shareholders' pre-emption rights) up to a maximum nominal amount of £2,414,221.83, representing the IA guideline limit of approximately two-thirds of the Company's issued share capital as at 25 May 2022 (being the last business day prior to the publication of this document).

Resolution 6(a) would give the directors authority to allot new shares or grant rights to subscribe for, or convert any security into, new shares, up to an aggregate nominal value of £2,414,221.83 representing approximately two-thirds of the Company's existing issued share capital in connection with a rights issue or other pre-emptive offer in favour of ordinary shareholders.

Resolution 6(b), if passed, would give the directors general authority to allot new shares or grant rights to subscribe for, or convert any security into, new shares, up to an aggregate nominal value of £1,207,110.91, representing approximately one-third of the Company's existing issued share capital. This authority will be reduced by any amount over £1,207,110.91 that is allotted under resolution 6(a), so that the total amount to be issued cannot exceed two-thirds of the Company's existing issued share capital without further shareholder approval.

As resolution 6(a) imposes no restrictions on the way the authority may be exercised, it could be used in conjunction with resolution 6(b) so as to enable the whole two-thirds to be used in connection with a rights issue or other pre-emptive offer.

The authority will expire at the earlier of the conclusion of the next annual general meeting of the Company and at the close of business on 21 September 2023.

The Company does not at present hold any shares in treasury.

Resolutions 7 and 8 – Disapplication of pre-emption rights and Resolution 9 – Additional disapplication of pre-emption rights

The Companies Act 2006 requires that if the Company issues new shares or grants rights to subscribe for or to convert any security into shares for cash, or sells any treasury shares, it must first offer them to existing shareholders in proportion to their current holdings. In certain circumstances, it may be in the best interests of the Company to allot shares (or to grant rights over shares) for cash without first offering them proportionately to existing shareholders. This cannot be done under the Companies Act 2006 unless the shareholders have first waived their pre-emption rights. In accordance with investor guidelines, therefore, approval is sought by the directors to issue a limited number of ordinary shares for cash without first offering them to existing shareholders.

Resolutions 7 and 8 contain disapplications of pre-emption rights which seek to give the directors' authority to issue equity securities of the Company for cash without application of pre-emption rights pursuant to section 561 of the Companies Act 2006.

Resolution 7 seeks a disapplication of the pre-emption rights on a rights issue or other pre-emptive offer so as to allow the directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which might arise, for example, with overseas shareholders.

Other than in connection with a rights or other pre-emptive issue, scrip dividend or other similar issue, the authority contained in resolution 8 would be limited to a maximum nominal amount of £181,066.64 (which would equate to 9,053,332 ordinary shares of 2 pence each), representing approximately 5 per cent. of the

Company's issued share capital as at 25 May 2022, being the last business day prior to the publication of this AGM notice.

Resolution 9 is an additional disapplication of pre-emption rights limited to an additional 5 per cent. of the Company's issued share capital to be used for transactions which the directors determine to be an acquisition or specified capital investment. The authority contained in the resolution would be limited to a maximum nominal amount of £181,066.64, representing approximately 5 per cent. of the Company's issued share capital as at 25 May 2022, being the last business day prior to the publication of this AGM notice.

If passed, these authorities will expire at the same time as the authority to allot shares given pursuant to resolution 6 (*Authority to allot shares*).
